**Present Land Use/Zoning/General Plan Designation:**

**Project Description:** *(please use a separate page if necessary)*

The project consists of the development of 172 residential apartments, a 2.54-acre open space preserve, and reservation of a 1.04-acre site for the future development of an approximately 21,000-square-foot community shopping center on an approximately 10.9-acre parcel located at 2660 Petaluma Hill Road in the City of Santa Rosa. The residential apartments would be contained within eight (8) three (3)-story buildings. Access would be provided off Petaluma Hill Road, Franz Kafka Avenue, and Farmers Lane Extension. Drive aisles would provide internal access to carports, garages and surface parking. Onsite amenities would include a club house, pool and spa area, and pedestrian pathways. The 2.54-acre open space preserve, located in the center portion of the site, contains seasonal wetlands and an ephemeral creek, and separates the site into north and south development areas. Proposed improvements would be set back a minimum of 50 feet from the creek. A pedestrian crossing over the creek would provide connectivity between the north and southern portions of the site. The 1.04-acre future development site would allow construction of an ~21,000 square-foot community shopping center consistent with the General Plan.

*Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.*

## Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".  
If you have already sent your document to the agency please denote that with an "S".
