CEQA Lead Agency: City of Glendale

STATE CLEARINGHOUSE

Project Title: FY 2020-2021 CDBG, ESG and HOME Programs

CEQA Document Type: Certified Regulatory Program Document

State Clearinghouse Number/local agency ID number: N/A

Project Location: Glendale, Los Angeles County, California: Glendale is located northeast of downtown Los Angeles. It is bounded by the cities of Burbank, Pasadena, La Canada Flintridge and the Los Angeles communities of Tujunga, Eagle Rock and Los Feliz.

Brief Project Description: Action Plan prepared by the City of Glendale Community Services and Parks Department for fiscal year 2020-2021 Community Development Block Grant (CDBG), Emergency Solutions Grant (ESG) and HOME programs.

Determination: Based on a review of the project as proposed, the Department of Fish and Wildlife has determined that for purposes of the assessment of CEQA filing fees (Fish & G. Code, § 711.4, subd. (c)) the project has no effect on fish, wildlife or their habitat and the project as described does not require payment of a CEQA filing fee. This determination does not in any way imply that the project is exempt from CEQA and does not determine the significance of any potential project effects evaluated pursuant to CEQA.

Please retain this original determination for your records. Local lead agencies are required to file two copies of this determination with the county clerk at the time of filing the Notice of Determination (NOD) after the project is approved. State lead agencies are required to file two copies of this determination with the Governor's Office of Planning and Research (i.e., State Clearinghouse) at the time of filing the NOD. If you do not file a copy of this determination as appropriate with the county clerk or State Clearinghouse at the time of filing the NOD, the appropriate CEQA filing fee will be due and payable.

Without a valid CEQA Filing Fee No Effect Determination form or proof of fee payment, the project will not be operative, vested, or final and any local permits issued for the project will be invalid, pursuant to Fish and Game Code section 711.4, subdivision (c)(3).
