RE: Carden School Project – Mitigated Negative
Declaration (MND)
SCH# 2020060262
GTS# 07-LA-2020-03284
Vic. LA-10 PM 2.709

Dear Peter Chou,

Thank you for including the California Department of Transportation (Caltrans) in the environmental review process for the above referenced project. The project, located at 11537 Grovedale Drive, in the unincorporated community of South Whittier, would demolish the existing private school uses on the northern 5.8-acre portion of the site (the Carden School) and associated accessory structures and subdivide the site into 31 separate lots that would be developed with 29 single-family homes, two open space lots, and a new public road.

The nearest State facility to the proposed project site is State Route 72. After reviewing the MND, Caltrans does not anticipate any significant adverse impacts to the State Highway System.

Please note that the transportation of heavy construction equipment and/or materials which requires use of oversized-transport vehicles on State highways will need a Caltrans transportation permit. We recommend large size truck trips be limited to off-peak commute periods.

If you have any questions, please contact project coordinator Anthony Higgins, at anthony.higgins@dot.ca.gov and refer to GTS# 07-LA-2020-03284.

Sincerely,

Miya Edmonson
