RECEIPT # 15143558

FILED
KERN COUNTY

NOTICE OF EXEMPTION

JUN 08 2020

To: Office of Planning and Research
P.O. Box 3044
Sacramento, CA 95812-3044

From: Kern County Water Agency
PO Box 58
Bakersfield, CA 93302-0058

MARY B. BEDARD
AUDITOR CONTROLLER-COUNTY CLERK
BY *[Signature]* DEPUTY

Kern County Clerk of the Board of Supervisors
1115 Truxtun Avenue
Bakersfield, CA 93301

Project Title: Agreement between the Kern County Water Agency (Agency) and California Department of Water Resources (DWR) for Delivery of Central Valley Project (CVP) Friant Recirculation water to Belridge Water Storage District (Belridge), Berrenda Mesa Water District (Berrenda Mesa) and Lost Hills Water District (Lost Hills).

Location -- Specific: The Agency is a State Water Project (SWP) contractor located in Kern County in the southern San Joaquin Valley. Belridge, Berrenda Mesa and Lost Hills contract for SWP water through the Agency and are in Kern County in the southern San Joaquin Valley. The SWP includes facilities located throughout the State of California.

Location -- County: Kern County.

Description of Activity: In 2020, Tulare Irrigation District will transfer up to 2,000 acre-feet of 2020 CVP Friant Recirculation water to the Agency for delivery to Belridge, Berrenda Mesa and Lost Hills from California Aqueduct turnouts located in the Agency's service area.

Name of Public Agency Approving or Carrying Out Activity: Agency (Lead Agency).

Exempt Status:

- Ministerial
- Declared Emergency
- Emergency Project
- Categorical Exemption.** State type and section number: See CEQA Guideline 15301(b).
- Statutory Exemption.** State code number: See CEQA Guidelines Section 15061(b)3.

CEQA Guideline Section 15301(b) provides that a lead agency may determine an activity to be exempt from CEQA in that it utilizes only existing facilities. This transfer involves delivery water entirely within the Agency's service area, and exclusively utilizes existing facilities. Additionally, CEQA Guideline Section 15061(b)3 provides that a Lead Agency may determine an activity to be exempt based on a general rule that CEQA applies only to projects that have a potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA. The Agency finds that approval of the proposed water transfer has no possibility of significant effect on the environment for the following reasons:

1. The proposed action consists of a one-time water transfer that will use existing facilities and would not require any construction or grading.

Filed by County Clerk on 6/8/20
and for 30 days thereafter, Pursuant to
Section 21152(C), Public Resources Code

2. The proposed action does not constitute a new permanent source of water supply and will not result in any growth inducing or cumulative environmental impacts.
3. There will be no change in land use.
