Present Land Use/Zoning/General Plan Designation:

Zoning: RM(PD) - Multiple Residence Planned Development; General Plan: MUN - Mixed-Use Neighborhood

Project Description: *(please use a separate page if necessary)*

The project proposes a General Plan Amendment to change the land use designation in the Envision San José 2040 General Plan (General Plan) from Mixed Use Neighborhood to Urban Residential. The land use designation of the site was previously amended from Neighborhood Community Commercial to its current designation of Mixed Use Neighborhood (File No. GP16-001). A specific development project is not proposed at this time. Future development under the Urban Residential General Plan land use designation would require project-level environmental review prior to issuance of appropriate development permits.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
