**NOTICE OF DETERMINATION
(Public Resources Code section 21108)**

File Ref: A2661
SCH#: 2020060424
Item: 23

Title: Yuba City Boat Ramp Sediment Removal Project

Proponent: Sutter Butte Flood Control Agency

Location: Confluence of the Feather and Yuba Rivers near Marysville, adjacent to Assessor's Parcel Numbers 52-570-006, 010-260-017, 010-020-010, 010-020-011, and 010-020-015, Butte and Sutter counties.

Description: The Proposed Project would include the following: maintenance dredging of the boat ramp/boat area and the confluence of the Feather River and the Yuba River; dewatering the dredged material in the existing northernmost wastewater ponds at the former Marysville Wastewater Treatment Plant (WWTP) proposed by the City of Marysville for decommissioning; and disposal of the dredged material. Phase 1 of the Project would involve removal of the originally planned 65,600 cy, and Phase 2 of the Project would involve the additional 250,000 cy if additional funding becomes available, for a total of 315,600 cy. The Project would occur between 2021 and 2023, starting in June 2021. The State Lands Commission action is an approval of a 5-year General Lease –Dredging Use through April 26, 2026.

This is to advise that the California State Lands Commission, as Lead Agency Responsible Agency, approved the above-described project on April 27, 2021, and made the following determinations regarding the project.

- 1) The project will will not have a significant effect on the environment.
- 2) An Environmental Impact Report (EIR) was prepared for this project pursuant to the provisions of CEQA.
- 3) Mitigation measures were were not made a condition of the approval of the project.
- 4) A mitigation reporting or monitoring plan was or was not adopted for this project.
- 5) A Statement of Overriding Considerations was was not adopted for the project.
- 6) Findings were were not made pursuant to the provisions of CEQA.

The lead agency for the project, Sutter Butte Flood Control Agency (SBFCA), certified the Environmental Impact Report (EIR) and Mitigation Monitoring Program (MMP) and approved the project on February 21, 2021. The California State Lands Commission has considered the EIR as prepared for this project by SBFCA and adopted an independent MMP incorporating SBFCA's document. At this time, the Commission's offices are closed to the public due to public health and safety concerns regarding the Novel Coronavirus (COVID-19). Please contact Commission staff for the most up-to-date information on the availability of the EIR and the record of project approval.
