Project Title: The Meadows at Bailey Canyon Specific Plan EIR

Project Applicant: NUWI Sierra Madre LLC

Project Location (include county): 700 North Sunnyside Avenue, Sierra Madre, Los Angeles County, CA 91024

Project Description:

The proposed project would establish The Meadows at Bailey Canyon Specific Plan (Specific Plan), which would establish the zoning and development standards to guide future development of single-family residential uses on approximately 9.19 acres of the 17.30-acre project site, and 3.39 acres of open space (including a 3.04-acre neighborhood public park). A 1.04-acre grading and landscape buffer would be located within the northern portion of the project site. In addition to the ministerial lot line adjustment required to consolidate the two lots that make up the project site into one and adjust the site's northern boundary further to the north, the discretionary actions before the City include a proposed General Plan amendment to change the land use designation for the project site from Institutional to Specific Plan, and a zone change to change the zoning of the project site from Institutional to Specific Plan.

This is to advise that the City of Sierra Madre has approved the above (X Lead Agency or Responsible Agency)

described project on 9/27/2022 and has made the following determinations regarding the above described project.
