STATE CLEARINGHOUSE

Ms. Jereb,

The California Department of Fish and Wildlife (Department) has reviewed the Draft Initial Study/Mitigated Negative Declaration (MND) for the subject project (Project). The Department's review of this Project is pursuant to our role as the State's trustee and responsible agency for fish and wildlife resources under the California Environmental Quality Act (CEQA), California Public Resources Code section 21000 et seq.

The Department provided comments on this Project in a letter dated May 15, 2015. Based on the information provided in the MND, the Department has no additional comments at this time. If the Project changes in any way, the Department should be notified and provided an opportunity to offer comments regarding the updated information.

Thank you,
Kristin
