NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION Roache Road Well Project

NOTICE IS HEREBY GIVEN that the City of Watsonville (the City) has prepared an Initial Study to evaluate the environmental impacts of the proposed Roache Road Well Project, described below, and intends to adopt a Mitigated Negative Declaration (MND) in accordance with the California Environmental Quality Act. The Initial Study concludes that the proposed project would not have a significant adverse effect on the environment if the mitigation measures identified in the Initial Study are adopted and made conditions of approval of the proposed project.

FROM: Beau Kayser, Water Operations Division
City of Watsonville, Public Works & Utilities
250 Main Street, Watsonville, California 95076
