Hello Interested Party,

This letter is to notify you that the CEQA Notice of Determination (NOD) for **399 West Java Drive** for a Miscellaneous Plan Permit to allow minor modification to previously approved Major Moffett Park DR (# 2011-7495), which allowed construction of a 6-story, 315,000 sf office building, 24,000 sf special use amenities building and a 6-level parking structure. Modifications to the office and parking structure include minor changes to building footprints, change of building material from traditional frame structure to mass timber, relocation of 128 surface parking stalls to the parking structure to create more open/landscaped areas, and increase in height of parking structure by 11' to accommodate taller floor-to-floor heights to allow greater flexibility of use in the future, Sunnyvale, CA

The NOD has been filed with the County of Santa Clara and the State of California Office of Planning and Research.
