

**CITY OF RIALTO
NOTICE OF INTENT TO ADOPT A
RECIRCULATED MITIGATED NEGATIVE DECLARATION**

Project Title: Cactus Trail Improvements Project (Related File: Environmental Assessment Review No. 2020-0013)

Lead Agency Contact Person: Daniel Casey, Senior Planner

Phone & Email: (909) 820-2535 – dcasey@rialto.ca.gov

Project Location: Existing public right-of-way along the west side of Cactus Avenue between Rialto Avenue and Base Line Road.

Project Proponent & Address: City of Rialto
335 W. Rialto Avenue
Rialto, CA 92376

Project Proponent Contact: Savat Khamphou, Public Works Director/City Engineer
(909) 421-7229
skhamphou@rialto.ca.gov

Project Description: The City of Rialto (City) proposes to construct bicycle and pedestrian trail improvements along the west side of Cactus Avenue between Rialto Avenue and Base Line Road, in general accordance with the City's Circulation Element of the General Plan. The bicycle and pedestrian trail improvements will include a concrete path, signage, and landscaping. Right-of-way is existing for the proposed trail; the right-of-way exists within street dedicated right-of-way and Common Use Agreements with the San Bernardino County Flood Control and Water Conservation District.

The City of Rialto is preparing to issue a Recirculated Mitigated Negative Declaration of environmental impact for the Cactus Trail Improvements Project. The City of Rialto previously released an Initial Study/Mitigated Negative Declaration (IS/MND) for the proposed project. The previous IS/MND was circulated for a 30-day public review period from June 8, 2020 to July 7, 2020, consistent with CEQA regulations and guidelines. The City of Rialto determined that substantial revisions should be made to the IS/MND, per CEQA Guidelines 15073.5. The Recirculated IS/MND includes these substantial revisions.

This is to notify the public and interested parties of the City of Rialto's intent to adopt a **Mitigated Negative Declaration** for the above reference project. The mandatory public review period will begin on **August 17, 2020** and end on **September 15, 2020**. The Initial Study and supporting technical studies are available for public review at the public counter in the Community Development Department, Planning Division, 150 South Palm Avenue, Rialto, CA 92376 and on the City's website at www.yourrialto.com. For additional information about the project, call (909) 820-2535.
