Re: Notice of Determination – SCH# 2020070229

Dear Office of Planning and Research:

The Long Beach Unified School District (“District”) is the lead agency for the Avalon K-12 HVAC, ADA, Contaminated Soil Removal and New Synthetic Turf Field Project (“Project”). The District is submitting the attached “Notice of Determination” to you in accordance with Governor Gavin Newsom’s Executive Order N-80-20.

The District hereby informs you that the District has submitted payment of the California Department of Fish & Wildlife environmental fee for the Project to the Los Angeles County Registrar Recorder/County Clerk.

Sincerely,

A handwritten signature in blue ink, appearing to read 'David Miranda', is written over a light blue horizontal line.

David Miranda
Executive Director
Facilities Development and Planning
