 Agricultural Land Flood Plain/Flooding Schools/Universities Water Quality
 Air Quality Forest Land/Fire Hazard Septic Systems Water Supply/Groundwater
 Archeological/Historical Geologic/Seismic Sewer Capacity Wetland/Riparian
 Biological Resources Minerals Soil Erosion/Compaction/Grading Growth Inducement
 Coastal Zone Noise Solid Waste Land Use
 Drainage/Absorption Population/Housing Balance Toxic/Hazardous Cumulative Effects
 Economic/Jobs Public Services/Facilities Traffic/Circulation Other: GHG Emissions

Present Land Use/Zoning/General Plan Designation:

All GP Land Use Designations

Project Description: *(please use a separate page if necessary)*

The City of Scotts Valley is in the process of preparing an update to its existing General Plan. The update will guide the City's development and conservation for the next 20+ years. The General Plan Update addresses the current needs and preferences of the community and identifies opportunities to preserve the character of the community, conserve natural resources, and direct land use policies that enable sustainable growth in and around Scotts Valley. The General Plan is the long range plan or roadmap for the City as a whole. Updates to the General Plan include changes to various policies directing land use amendments, addressing land use compatibility and development intensities, establishing impact thresholds for future development projects, and implementing various programs that will help meet its goals.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with and "X".
If you have already sent your document to the agency please denote that with an "S".
