Project Title: Montezuma Slough Pump Station Reconstruction Project (Lake or Streambed Alteration Agreement No. 1600-2019-0311-R3)

Project Location (include county): Willow Creek, in the County of Contra Costa, State of California; Latitude 38.03209, Longitude -121.90093; U.S. Geological Survey (USGS) map Honker Bay, Section 7, Township 2N, Range 1E; Assessor's Parcel Number 096-100-034.

Project Description: The California Department of Fish and Wildlife has executed Lake and Streambed Alteration Agreement number 1600-2019-0311-R3, pursuant to Section 1602 of the Fish and Game Code to City of Pittsburg.

The project requires the removal of the existing structure (wooden platform and up to 16 wooden support piers), disposal of collateral debris from demolition, and construction of the replacement pump station. The new foundation will consist of 12 helical piers. Six piers will be installed in the existing pond and six piers will be installed on the land north of the pond.

Public Agency Approving Project: CALIFORNIA DEPARTMENT OF FISH AND WILDLIFE

Person or Public Agency Carrying Out Project: City of Pittsburg

Exempt Status:

- Categorical Exemption. Type – Class 2; California Code of Regulations, title 14, section 15302

Reasons why project is exempt: The project is exempt because it involves the replacement of an existing structure located at the same site and will have the same purpose and capacity as the original structure.
