File No.: 230.14307.

Subject: ENVIRONMENTAL DOCUMENT RESPONSE SCH# 2020070378

After reviewing the draft environmental impact report for the Idaho-Maryland Mine project proposed for Nevada County, I do not believe there would be any impact to local Area operations or public safety. The general area may see a very slight increase in commercial vehicle traffic.

The proposed underground mining operations would be offset from the roads and will primarily be operating within its own boundaries.

  
G. STEFFENSON, Lieutenant  
Commander
