

CALIFORNIA ENVIRONMENTAL QUALITY ACT NOTICE OF DETERMINATION

To: Office of Planning and Research
P.O. Box 3044, Room 113
Sacramento, CA 95812-3044

From: Contra Costa County
Dept. of Conservation & Development
30 Muir Road
Martinez, CA 94553

County Clerk
County of: Contra Costa

State Clearinghouse Number: 2020070389

Project Title: **Byron Highway Bridge Replacement**
Project No. **4660-6X1048, CP# 19-36**

Project Applicant: Contra Costa County Public Works Department
255 Glacier Drive, Martinez, CA 94553

925-313-2000

Project Location: Byron Highway in East Contra Costa County.

Lead Agency: Contra Costa County Department of Conservation and Development

925-674-7205

Project Description: The Project will replace the existing bridge with a multi-span concrete bridge approximately 360 feet long, and a clear width of approximately 40 feet. The Project would also make approximately 1,350 total feet of roadway improvements on either side of the new structure. The proposed road and bridge would realign Byron Highway slightly to the south. In its final configuration, the replacement bridge would accommodate two lanes of vehicular traffic (one in each direction) with no increase in capacity. The proposed bridge would have eight-foot wide shoulders on both sides of the road. The eight-foot shoulders would meet American Association of State Highway and Transportation Officials (AASHTO) minimums and would be consistent with the countywide Bicycle and Pedestrian Plan that would accommodate a Class 2 facility with buffer striping at the Project site. The work also includes modified connections for four access roads near the ends of the bridge and modification of the Bruns Road intersection. Extensions of existing culverts and modifications to other drainage features such as ditches and swales would also be performed. Utility relocations and right of way transactions will be necessary.

The project was approved on: 10/20/20

2020-00848

FILED

October 22, 2020

1. The project will will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
