Project Description (Proposed actions, location, and/or consequences).

The Proposed Action includes the transfer of five parcels comprised of approximately 5.6 acres of tribally owned land in Siskiyou County, California (project site), into federal trust status for the Karuk Tribe for future development purposes . The project site is located on Section 11, Township 16 North, Range 7 East. The Karuk Tribe subsequently proposes to develop one of the five trust parcels (APN 016-412-200) with an approximately 11,526-square-foot medical and dental clinic and support office. The purpose of the Proposed Action is to ensure the continued social and economic independence and wellbeing of its members.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

Potentially significant impacts to land resources, water resources; air quality; biological resources; cultural and paleontological resources; resource use patterns; transportation; hazardous materials; noise; visual resources; and public services were evaluated in the EA, with all impacts mitigated to a less than significant impact (see EA Sections 3, 4, and 5 for detailed analysis and for specific mitigation measures).

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.
