Project Title: Streambed Maintenance (Streambed Alteration Agreement No. 1600-2018-0285-R2)

Project Location (include county): The project is located within the City of Jackson, Amador County, California. The maintenance work will cover approximately 4.75 miles of streams and drainage facilities (watercourses) within the Jackson Creek (1.9 miles), North Fork (1.45 miles), South Fork (0.9 miles), Sutter Street drainage (0.1 miles) and the Court Street drainage (0.4 miles).

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Streambed Alteration Agreement number 1600-2018-0285-R2, pursuant to section 1602 of the Fish and Game Code to the project Applicant, City of Jackson.

The proposed project includes the routine maintenance of facilities including, vegetation control, invasive species removal, debris or obstruction removal, and sediment removal. The lack of performing these maintenance tasks could potentially adversely affect the natural flow or otherwise reduce channel capacity, accelerate erosion, or cause flooding into adjacent streets and structures thereby causing a public health and safety hazard.

This is to advise that CDFW, acting as a Responsible Agency, executed the above-described Streambed Alteration Agreement on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the mitigated negative declaration / negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The mitigated negative declaration / negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of execution of the Streambed Alteration Agreement as Responsible Agency is available at CDFW's regional office.
