**SUBJECT:** Filing of Notice of Determination pursuant to Public Resources Code section 21108

**State Clearinghouse Number:** 2020070433

**Project Title:** State Route 29 Bridge Rail Replacement Project (Lake or Streambed Alteration Agreement No. [EPIMS-NAP-28399-R3])

**Project Location (Napa):** The Project is located at two locations along State Route (SR) – 29. Location 1 at Dry Creek Bridge is at Post Mile (PM) 16.48 in the unincorporated community of Oak Knoll. Location 2 is at the Perfume Creek Bridge is at PM 17.81 south of the City of Yountville. Location 1 and 2 are in Napa County, in the State of California.

**Project Description:** The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement (EPIMS-NAP-28399-R3), pursuant to Fish and Game Code section 1602, the project Applicant, The California Department of Transportation.

The Project is limited to the replacement of existing bridge rails at two locations on State Route 29 in Napa County. The Project will replace the existing bridge rails with concrete barrier type 836 structures at both locations for Dry Creek and Perfume Creek. The existing bridge rails on Dry Creek bridge would be replaced with concrete barrier type 836 structures in both directions. The northbound side of the bridge will require an extension of 1.5 feet using cantilever methods. The southbound side will require the installation of carbon fiber reinforced polymer to the deck of the bridge. The Project at the Perfume Creek Bridge will replace the existing bridge rails on the Perfume Creek bridge with concrete barrier Type 836 in both directions. The southbound side will require an extension of the existing concrete double box culvert by 3 feet to support the new bridge rail.

This is to advise that CDFW, acting as a Responsible Agency, approved the project described above on November 21, 2022 and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the Negative Declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were made a condition of CDFW's approval of the project.
4. A Mitigation Reporting or Monitoring Plan was adopted by CDFW for this project.
5. A Statement of Overriding Considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

**Notice of Determination**

---

The Negative Declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as a Responsible Agency is available at CDFW's regional office.
