

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

Issues raised by the public have included concerns regarding aesthetics, air quality, biological resources, geology and soils, hazards and hazardous materials, hydrology and water quality, noise, population and housing, transportation, tribal cultural resources, and utilities and service systems. As a result, these issues are potential areas of controversy.

Provide a list of the responsible or trustee agencies for the project.

- Bay Area Air Quality Management District
- California Department of Transportation
- California Regional Water Quality Control Board
