SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code section 21108

State Clearinghouse Number: 2020070490

Project Title: Old Florintown Septic Conversion (Streambed Alteration Agreement EPIMS Notification No. SAC-51192-R2)

Project Location: The project is located at the Florin Creek crossing of Tokay Avenue, in the census designated place of Florin, in the County of Sacramento, State of California; Latitude 38.49719, Longitude -121.39868 (WGS 84 datum, decimal degrees).

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Streambed Alteration Agreement EPIMS Notification Number SAC-51192-R2, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Sacramento County - Office of Planning & Environmental Review.

The project is limited to the installation of a sewer line that will cross underneath Florin Creek and the two 6 by 9-foot box culverts on Tokay Avenue that extend approximately 60 feet. The new sewer line would consist of an 8-inch diameter vitrified clay pipe (VCP) and would be installed approximately 14 feet below the surface of the roadway and under Florin Creek using a bore and jack method.

This is to advise that CDFW, acting as a Responsible Agency, executed the above-described Streambed Alteration Agreement on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the mitigated negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were made a condition of CDFW's approval of the project.

Notice of Determination

- 4. A mitigation reporting or monitoring plan was not adopted by CDFW for this project.
- 5. A statement of overriding considerations was not adopted by CDFW for this project.
- 6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The mitigated negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of execution of the above Streambed Alteration Agreement as Responsible Agency is available at CDFW's regional office.
