State Clearinghouse Number (SCH No.): 2020070575

Project Title: Permit No. 19662: American River Watershed Common Features, Water Resources Development Act of 2016 Project, Sacramento Weir Widening: Installation Telecommunication Utilities

Project Applicant: Pacific Gas & Electric Company

Lead Agency/Address: Central Valley Flood Protection Board (CVFPB), 3310 El Camino Ave, Ste 170, Sacramento, CA 95821

Lead Agency Contact Person: Miles Claret, Department of Water Resources, (916) 574-0251

Project Location/City/County: This project begins at the intersection of Old River Road and Levee Road and extends approximately 3,100 feet north along Old River Road, in Yolo County.

Project Description: Approval of Permit No. 19662, under California Code of Regulations, Title 23, Article 3, Section 6, for work within an adopted plan of flood control: For authorization to place 15 temporary wooden poles (15-in dia, 50-ft length, 8ft embedment depth) with overhead lines (PG&E and AT&T) along the waterside of Old Rover Road (12-ft waterward from edge of pavement) to relocate their facilities for the construction of the Sacramento Weir Widening Project. The temporary poles will be located for a duration of up to 42 months and will be removed after construction. The poles will be auger drilled with spoils becoming property of PG&E. There are 2 proposed overhead crossings of the levee/Old River Road, one at the northern end of the project and another at the southern end. The poles will be owned by both PG&E and AT&T. (PG&E Project 35159551)

This is to advise that the CVFPB, as the **Lead Agency**, approved the above described project on July 21, 2022 and made the following determinations regarding the above described project:

1. The project [will / will not] have a significant effect on the environment.
2. [An Environmental Impact Report / A Mitigated Negative Declaration] was prepared for the project.
3. Mitigation measures [were / were not] made a condition of approval of the project.
4. A Mitigation Monitoring and Reporting Plan [was / was not] adopted for this project
5. A Statement of Overriding Considerations [was / was not] adopted for this project.
6. Findings [were / were not] made pursuant to the provisions of CEQA.

Lead Agency Statement: The Environmental Impact Statement/Environmental Impact Report, with comments and responses, and record of approval is available to the general public at the CVFPB's office at the address listed above.
