Project Title: I-280 SB Ocean Ave Off-Ramp Realignment Project

Project Applicant: San Francisco County Transportation Authority

Project Location - Specific:

Ocean Avenue off-ramp from southbound I-280, San Francisco, CA. PM 1.77/1.95

Project Location - City: San Francisco

Project Location - County: San Francisco

Description of Nature, Purpose and Beneficiaries of Project:

The project will help improve safety along Ocean Avenue at the southbound I-280 off-ramp intersection. The current configuration of the southbound I-280 off-ramp intersection with Ocean Avenue creates potential conflicts between multi-modal users. This project proposes to realign the configuration of the existing southbound I-280 off-ramp from a single lane free right turn to a T-intersection for right turn only. The project will install a traffic signal to provide controlled crossing for pedestrians and bicyclist at the new intersection. The project will also install new curb ramps at realigned intersection.

Exempt Status: **(check one):**

- Ministerial (Sec. 21080(b)(1); 15268);
- Declared Emergency (Sec. 21080(b)(3); 15269(a));
- Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
- Categorical Exemption. State type and section number: Class 1: 15301
- Statutory Exemptions. State code number: _____

Reasons why project is exempt:

The project is limited to the realignment of an existing highway off-ramp from a free right turn to a T-intersection for pedestrian and bicyclists safety purposes at the existing off-ramp location only. The project involves no expansion of use, will not impact sensitive habitat, will not damage scenic resources, will not affect a historic resource, and will not result in a cumulative impact. For these reasons, the project is exempt from the provisions of CEQA.
