County

Project Description (Proposed actions, location, and/or consequences).

Proposed mitigated negative declaration for the extension of San Rafael Rd and a Lot Line Adjustment between 3 legal lots of record.

Identify the project's significant or potentially significant effects and briefly describe any proposed mitigation measures that would reduce or avoid that effect.

The project includes extension of an existing road right-of-way over an ephemeral creek. Thus, there are potential impacts to biological and archeological resources as well as water quality and soil stability.

If applicable, describe any of the project's areas of controversy known to the Lead Agency, including issues raised by agencies and the public.

There are no known areas of controversy. Staff has conculted with local tribes and included appropraite mitigation measures.

Provide a list of the responsible or trustee agencies for the project.

Review and permitting will be required by the Department of Fish and Wildlife, Army Corps of Engineers, Regioanl Water Quality Control Board.
