Present Land Use/Zoning/General Plan Designation:

Project Description: *(please use a separate page if necessary)*
 The 414 South San Gabriel Project (project) proposes the construction of a climate-controlled self-storage facility and executive artists space on an approximately 1.75-gross acre site. The project would construct a 199,358-square foot building with approximately 190,232 square feet of climate-controlled self-storage and approximately 9,126 square feet of executive artists space. The climate controlled self-storage facility would include a 1,000-square foot ground floor rental office. The executive artist space would include a 1,000-square foot community arts space fronting South San Gabriel Boulevard. The proposed structure would be four stories with one level of subterranean self-storage space along South San Gabriel Boulevard, while a partial fifth story with one level of subterranean self-storage space would be provided along Commercial Avenue and Gladys Avenue. Project approval would require a Zone Change/Planned Development, Development Agreement, Tentative Parcel Map, Precise Plan of Design, Master Sign Plan, issuance of applicable Grading and Building Permits, and CEQA Clearance.
 Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
