Project Title: Star Creek Nonindustrial Timber Management Plan 1-19NTMP-00010 SCL "Star Creek" (Lake or Streambed Alteration Agreement No. 1600-2019-0396-R3)

Project Location: The project is located in Santa Cruz and Santa Clara counties approximately 3 miles north of Aromas, California; Sections 27, 28, and 34, Township 11S, Range 3E, USGS Quad Map Watsonville East; Mt. Diablo base and meridian.

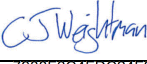

Project Description: The California Department of Fish and Wildlife (CDFW) has executed Lake and Streambed Alteration Agreement number 1600-2019-0396-R3, pursuant to section 1602 of the Fish and Game Code to the project Applicant, Bryan Largay, Land Trust of Santa Cruz County.

The project is limited to culvert removal and installation of a permanent vented rock armored fill crossing at map point X9, installation of two temporary Spittler Humboldt crossings at map points X11 and X21, crib log repair at an existing permanent culvert at map point X20, and temporary widening of the existing culvert and permanent culvert removal at map points X23, X25, and X27.

This is to advise that CDFW, acting as a Responsible Agency, approved the above described project on August 10, 2020, and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will / will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the environmental impact report prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A statement of overriding considerations was / was not adopted by CDFW for this project.
6. Findings were / were not made by CDFW pursuant to California Code of Regulations section 15091.

The final environmental impact report prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of project approval as Responsible Agency is available at CDFW's regional office.
