CC to Division is FYI only.

Special Projects Section (SPS) recently received the referenced "Notice of Completion" environmental impact document from the State Clearinghouse outlined in the attached files (memorandum, checklist, and project file) and/or Web site: <https://ceqanet.opr.ca.gov/2020080275/2>

Due to the project's geographical proximity to the Templeton Area, please use the attached checklist to assess its potential impact to local Area/Section operations and public safety.

If IMPACT is determined, responses should be emailed directly to Ian Landreth, County of SLO Department of Planning & Building with a "cc" to SCH and myself.

Please call or e-mail if you have any questions.

Thank you,

Mary
