Project Title: Corte Madera Creek Flood Risk Management Project, Phase 1
Project Applicant: Marin County Flood Control and Water Conservation District
Project Location (include county): Ross and Kentfield, Marin County

Project Description:
The Corte Madera Creek Flood Risk Management Project, Phase 1 will make improvements to the Corte Madera Creek flood control channel. The proposed channel improvements provide flood risk reduction to residents and businesses within the Town of Ross and Kentfield and improve fish passage and habitat.

This is to advise that the Marin County Flood Control and Water Conservation District has approved the above described project on 08/17/2021 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
