Project Title: Huttopia Six Sigma Stream Crossings Project (Streambed Alteration Agreement No. 1600-2020-0188-R2)

Project Location: The Project is located in Asbill Creek and unnamed tributaries to Asbill Creek, in the County of Lake, State of California; Latitude 38.86001, Longitude -122.5562.

Project Description: The California Department of Fish and Wildlife (CDFW) has amended Streambed Alteration Agreement No 1600-2020-0188, pursuant to Section 1602 of the Fish and Game Code to the project Applicant, Huttopia Six Sigma.

CDFW's amendment includes an update to the Permittee contact, removal of 3 projects, and the revision of the project description for 3 of the original projects. Following this Amendment, the Project is limited to 7 individual project locations, and the future installation of a glamping resort in the upland surrounding the project area. The Project locations include maintaining one culvert, replacing one culvert, installing 3 new culverts, maintaining 1 seasonal armored ford, and installing a vehicle crossing.

This is to advise that CDFW, acting as a Responsible Agency, executed the above Streambed Alteration Agreement for the project on the date signed below and has made the following determinations regarding the project pursuant to California Code of Regulations section 15096, subdivision (i):

1. The project will not have a significant effect on the environment. This determination is limited to effects within CDFW's permitting jurisdiction as a Responsible Agency.
2. CDFW considered the mitigated negative declaration / negative declaration prepared by the Lead Agency for this project pursuant to California Code of Regulations section 15096, subdivision (f).
3. Mitigation measures were / were not made a condition of CDFW's approval of the project.
4. A mitigation reporting or monitoring plan was / was not adopted by CDFW for this project.
5. A statement of overriding considerations was not adopted by CDFW for this project.
6. Findings were not made by CDFW pursuant to California Code of Regulations section 15091.

The mitigated negative declaration / negative declaration prepared for the project is available to the general public at the office location listed above for the Lead Agency. CDFW's record of execution of the Streambed Alteration Agreement as Responsible Agency is available at CDFW's regional office.
