Project Title: Produced Water Pre-Treatment & Advanced Water Solutions Project

Project Applicant: Blue Water Resources

Project Location (include county): Kern

Project Description:

The proposed project consists of a Conditional Use Permit for a wastewater processing facility on a 7-acre parcel within an existing 33,000 square foot industrial building. The wastewater treatment facility is designed to treat industrial, non-hazardous wastewater, which will be brought to the facility by truck transportation. The primary objective of the treatment process is to cleanse the water so that it can be sold back to the oil field service companies and re-used in oil extraction operations. +
