Ismael –

Caltrans has NO COMMENTS on the review of the proposed Mitigated Negative Declaration (MND) for the [water well test site and potential well site project](#) for the City of Dinuba's water supply system. The Project site is located on the NEC of Avenue 416 and Road 64, approximately 2 miles north of State Route (SR) 201.

Respectfully,

[DAVID DEEL](#) | [559.488.7396](#) | [CALTRANS D6](#)

*Due to the current health emergency, Caltrans Planning & Local Assistance staff are working remotely whenever possible.*

*While there may be some delay in our response times, we continue to be available via email and remain committed to customer service.*
