SUBJECT: Filing of Notice of Determination pursuant to Public Resources Code § 21108.

State Clearinghouse Number (SCH No.): 2020099009

Project Title: Permit No. 19562 –Reclamation District 1001 Auxiliary Drainage Pump Station Project

Project Applicant: Reclamation District 1001

Lead Agency/Address: Reclamation District 1001, 1959 Cornelius Avenue, Rio Oso, CA 95674

Lead Agency Contact Person: Michael Phillips, (530) 656-2318

Project Location/City/County: The project site is located approximately 2,000 feet south of Messick Rd and 1400 feet east of Garden Hwy south of Yuba City at Sutter Butte Flood Control Agency Station 649+11, in Sutter County.

Project Description: Approval of Permit No. 19562, under California Code of Regulations, Title 23, Article 3, Section 6, for work within an adopted plan of flood control: To construct a new fuel-powered auxiliary drainage pump station located on the landside toe of the Natomas Cross Canal (NCC) North Levee, at the south end of the Reclamation District 1001 “Lateral No. 4 Channel”. The pump station will consist of a steel frame structure with a concrete mattress foundation along with two vertical turbine pumps, two propane power units, and associated appurtenances. The project will also involve: 1) construction of two landside ramps and one waterside ramp to provide access to the proposed pump station and to the proposed outfall structure from the levee crown; 2) construction of two 36-inch drainage discharge pipes (supported on pipe support structures where pipes are outside of the landside levee slope) through the NCC North Levee from the proposed pump station to the proposed concrete outfall structure at the waterside toe; and 3) grading of an irrigation ditch within the SSJDD easement to convey flows from the existing ditch east of the project site.

This is to advise that the Board, as the **Responsible Agency**, approved the above-described project on **April 28, 2023** and made the following determinations regarding the above-described project:

1. The project [will / will not] have a significant effect on the environment (This determination is limited to effects within the Board’s permitting jurisdiction as a responsible agency).
2. [An Environmental Impact Report (EIR) / A Mitigated Negative Declaration] was prepared by the lead agency for the original project.
3. Additional mitigation measures [were / were not] made a condition of the Board’s approval of the project.
4. A Mitigation Monitoring and Reporting Plan [was / was not] adopted by the Board for this project
5. A Statement of Overriding Considerations [was / was not] adopted by the Board for this project.
6. Findings [were / were not] made by the Board pursuant to the provisions of CEQA.

Responsible Agency Statement: The Mitigated Negative Declaration, prepared by the lead agency for the project, is available to the general public at the lead agency’s office listed above. The Board’s administrative record related to the encroachment permit is available for public review at the Board’s office.
