Project Title: College of Alameda New Transportation Technology Center

Project Applicant: Peralta Community College District

Project Location (include county): College of Alameda, Alameda, CA

Project Description:

The Peralta Community College District is proposing the construction of a replacement Transportation Technology Center (the project) in a portion of the College of Alameda campus just south and immediately adjacent to Building B. The project is intended to replace Buildings B and E. Both buildings would be demolished as a result of the project. A total of approximately 36,773 assignable square feet (ASF) of new space would replace the existing 33,127 ASF of Buildings B and E that are currently used for transportation technology, for a net gain of 3,646 square feet on the campus.

This is to advise that the Peralta Community College District has approved the above
(Lead Agency or Responsible Agency)

described project on October 27, 2020 and has made the following determinations regarding the above
(date)
described project.

1. The project [will will not] have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
 A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures [were were not] made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan [was was not] adopted for this project.
5. A statement of Overriding Considerations [was was not] adopted for this project.
6. Findings [were were not] made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
