Present Land Use/Zoning/General Plan Designation:

Open Space Resource Use / Rialto Airport Specific Plan, Cactus Basin (OS-CB)

Project Description: (please use a separate page if necessary)

The City of Rialto desires to upgrade existing drainage infrastructure conditions within Baseline Avenue from Cactus Basin west to Tamarind Avenue. The project consists of installing an approximately 2-mile or 11,000 lineal feet storm drain system within Baseline Road that would capture flows north of Baseline Road. The storm drain line starts at the Tamarind Avenue/Baseline Road intersection and runs along Baseline Road to the outlet at Cactus Basin No. 3. The new storm drain will be developed within a reinforced concrete box that will vary in size between 6' x 12', 7' x 7', and 3' x 10' depending on the location within the new storm drain alignment. ....(continued on page 2)

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

## Notice of Completion, page 2

### Longitude / Latitude:

Eastern portion: 34° 7' 26.5548" N / 117° 23' 17.0268" W

Western portion: 34° 7' 16.6728" N / 117° 25' 22.0692" W

### Project Description:

...The majority of the storm drain footprint (located within Baseline Road) will be constructed as a 84" reinforced concrete pipe, though a portion of the easternmost section of the alignment, which encompasses the section from Baseline Road to Cactus Basin, will vary in size as either a 72", 84", 48", 36", or 30" RCP. Flows leaving Basin No. 3 continue on to Basin 1 and 2 and Rialto Channel, which ultimately discharges to the Santa Ana River. Outflow from the Cactus Basin System are limited due to the poor downstream channel capacities.

**Reviewing Agencies Checklist**

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".  
If you have already sent your document to the agency please denote that with an "S".
