Subject: Withdrawal of Notice of Determination for State Clearinghouse Number 2020090347

State Clearinghouse Staff,

Caltrans submitted a Notice of Determination for the above-referenced project, which was posted by your office on January 19, 2024. With this letter Caltrans requests that the Notice of Determination be withdrawn, and advises that approval of the project has been rescinded. The Final Environmental Document inadvertently omitted some comment letters. Caltrans intends to submit a new Notice of Determination and recertify the Final Environmental Document.

Please post the appropriate notice to the public.

Sincerely,

A handwritten signature in purple ink that reads 'Lara Bertaina'.
