

# PUBLIC NOTICE

## Notice of Availability of Tiered Initial Study Notice of Intent to Adopt a Mitigated Negative Declaration Opportunity for Public Hearing for the Indian Canyon Drive Sewer Main Project

### WHAT IS BEING PLANNED?

The City of Palm Springs proposes to construct a new sewer main along Indian Canyon Drive from Tramview Road to Garnet Avenue. The sewer main will also cross under the Union Pacific Railroad tracks and within the new bridge structure. Manholes will be constructed along the sewer main alignment as well. The project is designed to provide public sewer service to the commercial and industrial area of Palm Springs.

### WHY THIS PUBLIC NOTICE?

The City of Palm Springs has studied the effects this project may have on the environment. The studies show it will not significantly affect the quality of the environment. The report that explains the findings of the studies is the Tiered Initial Study with proposed Mitigated Negative Declaration for this project. This notice is to advise you that the preparation of this report has been completed and is available for you to read. With this notice, your comments are requested before the deadline of December 1, 2021.

### WHAT'S AVAILABLE?

### WHERE DO YOU COME IN?

Do you have any comments about processing the project with a Mitigated Negative Declaration and the Initial Study? Do you disagree with the findings of the study as set forth in the proposed Mitigated Negative Declaration? Would you care to make any other comments on the project? Please submit your comments in writing no later than December 1, 2021 to the City's Attention: Mr. Donn Uyeno, 3200 E. Tahquitz Canyon Way, Palm Springs, CA 92262. You can also submit your comments via e-mail to [Donn.Uyeno@PalmSpringsCA.gov](mailto:Donn.Uyeno@PalmSpringsCA.gov).

The date we will begin accepting comments is November 1, 2021. If there are no comments that affect the City's findings, the City will proceed with the project's design.
