## **NOTICE OF AVAILABILITY and NOTICE OF PUBLIC MEETINGS**

October 1, 2021

The [Final Environmental Impact Report](#) (Final EIR) (SCH# 2020090519) for [Plan Bay Area 2050](#) (proposed Plan), a long-range plan for the San Francisco Bay Area, will be available for public review on October 1, 2021. Plan Bay Area 2050 will serve as the Regional Transportation Plan (RTP) and Sustainable Communities Strategy (SCS) for the nine-county region. Additional information and public meeting dates are provided below.

[Read the full Notice of Availability online.](#)

The proposed Plan is a long-range regional plan that outlines 35 integrated strategies across four key issues — housing, the economy, transportation, and the environment — to make the Bay Area more equitable for all residents and more resilient in the face of unexpected challenges. The proposed Plan’s strategies chart a course to make the Bay Area more affordable, connected, diverse, healthy and vibrant for all residents, while also achieving regional greenhouse gas emissions reduction targets established by the California Air Resources Board pursuant to the

Sustainable Communities and Climate Protection Act of 2008 (Senate Bill (SB) 375, Statutes of 2008). MTC and ABAG are required under State and Federal law to prepare an RTP/SCS every four years.

The Final EIR includes the Draft EIR, a copy of each comment on the Draft EIR received by MTC and ABAG during the public comment period, responses to comments on environmental issues raised in those comments, and corrections and clarifications to the Draft EIR.

**MTC and ABAG will be conducting two public meetings to consider certification of the Final EIR and adoption of the proposed Plan. All interested agencies, organizations, and individuals are welcome to participate in these public meetings for the Final EIR and the proposed Plan. Oral and/or written comments will be accepted during these meetings. Please visit the meeting information page (links below) for further details and instructions for submitting comments.**

The first public meeting will be held during the regular meeting of the Joint MTC Planning Committee with the ABAG Administrative Committee (see information provided below). At this meeting, the decision-makers will make a recommendation to the MTC Commission and ABAG Executive Board regarding certification of the Final EIR and adoption of the proposed Plan.

**Friday, October 8, 2021 at 9:40 a.m. (Remotely)**
