Project Description: *(please use a separate page if necessary)*

The City proposes to update its General Plan Transportation Element policies to implement the VMT impact metric. The City's proposed VMT standard of significance would generally be based on the recommendations of OPR, as described in *Technical Advisory on Evaluating Transportation Impacts in CEQA* (OPR, December 2018). The City will also update its Energy and Conservation Action Strategy to meet 2030 GHG reduction targets.
