Project Title: South Pasadena 2020 Climate Action Plan

Project Applicant: City of South Pasadena

Project Location (include county): City of South Pasadena, Los Angeles County

Project Description:

The City of South Pasadena has prepared its 2020 CAP to include measures addressing municipal and communitywide GHG emissions. The City is committed to a GHG emissions reduction target of 40 percent below 2016 levels by 2030 that is consistent with California Senate Bill 32 State targets. To achieve the 2030 City target, the City has developed 15 CAP Plays (i.e., measures) and supporting Moves (i.e., actions) related to energy, transportation, water, solid waste, and carbon sequestration.

This is to advise that the City of South Pasadena has approved the above (Lead Agency or Responsible Agency)

described project on 11/18/20 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
