**NOTICE OF DETERMINATION
(Public Resources Code section 21108)**

File Ref: Lease 8835; A2702
SCH#: 2020100322
Item: 12

Title: Live Oak Boat Ramp Sediment and Invasive Species Removal Project

Proponent: Sutter Butte Flood Control Agency

Location: Sutter County, town of Live Oak on the right bank of the Feather River.

Description: The Project involves dredging to remove sediment that has accumulated in portions of the Feather River. The dredging operation would be staged from the existing Live Oak Recreational Park Boat Ramp facility and adjacent lands. Dredging would remove approximately ± 1.5 acres of invasive water primrose and $\pm 3,400$ cubic yards (cy) of sediment from the Live Oak Recreational Park Boat Ramp facility. Dredged spoils would be dewatered at the boat ramp and spoils would be disposed at the Gridley WWTP emergency ponds or at the Ostrom Road or Neal Road landfills. The State Lands Commission action is an approval of a 5-year General Lease – Public Agency Use through February 24, 2026.

This is to advise that the California State Lands Commission, as Lead Agency Responsible Agency, approved the above-described project on February 23, 2021, and made the following determinations regarding the project.

- 1) The project will will not have a significant effect on the environment.
- 2) A Mitigated Negative Declaration (MND) was prepared for this project pursuant to the provisions of CEQA.
- 3) Mitigation measures were were not made a condition of the approval of the project.
- 4) A mitigation reporting or monitoring plan was or was not adopted for this project.
- 5) A Statement of Overriding Considerations was was not adopted for the project.
- 6) Findings were were not made pursuant to the provisions of CEQA.

The lead agency for the project, Sutter Butte Flood Control Agency, adopted the MND and Mitigation Monitoring Program and approved the project on December 9, 2020. The California State Lands Commission has considered the MND prepared for this project by Sutter Butte Flood Control Agency. At this time, the Commission's offices are closed to the public due to public health and safety concerns regarding the Novel Coronavirus (COVID-19). Please contact Commission staff for the most up-to-date information on the availability of the MND and the record of project approval.
