Campo, CA 91906

Subject: Project Notification Pursuant to Assembly Bill (AB) 52 for the Hoag Hospital Irvine Expansion project (00816357-PCPM) in the City of Irvine, County of Orange, California (Assessor Parcel Number: 466-091-19)

Dear Mr. Goff:

The City of Irvine is the lead agency, pursuant to the California Environmental Quality Act (CEQA), for the conditional use permit modification (00816357-PCPM) request for Hoag Hospital Irvine (HHI). HHI is seeking a conditional use permit modification to expand their existing hospital campus. The existing campus was first approved in December 1983 for a maximum entitlement of 565,359 square feet of hospital with up to 500 hospital beds, support uses, and medical offices. The project site is currently comprised of a 249,794 square-foot hospital with 166 hospital beds, a 10-story, 115,762 square-foot medical office building, and surface parking on approximately 24.5 acres located at 16200 Sand Canyon Avenue in the City of Irvine (see Attachment 1 – Existing Project Site).

The proposed conditional use permit modification seeks to increase the number of hospital beds from 166 to 391, and increase the hospital intensity from the originally approved 565,359 square feet up to approximately 1,123,293 square feet on the existing project site. At project build-out, the proposal would exceed the previous entitlement for the project site by up to approximately 557,934 square feet (see Attachment 2 – Proposed Project Site). Specifically, the proposed project would allow development to occur in two phases and consist of the following major components:

Phase 1:

- Addition of 356,740 square feet of hospital services with 161 beds to support the relocation of the pharmacy, clinical laboratory, intensive care unit, surgical suite, café, medical records, cashier, registration, worship center, gift shop and lobby;
- Addition of 130,000 square feet of hospital support facility;
- Addition of two, five-level parking structures (over 700 stalls in each structure;

- Addition of 47,550 square feet of new central utility plant along with cooling; and towers and emergency power generators at grade level.

Phase 2:

- Addition of 8,000 square feet of auditorium and conference center;
- Addition of 260,000 square feet of hospital support facilities;
- Addition of 80,000 square feet of hospital services to support 64 additional in-patient beds; and
- Parking structure expansion to provide 486 additional parking stalls.

AB 52 requires lead agencies to consult with California Native American Tribes that request such consultation in writing prior to the agency's release of a Notice of Preparation (NOP) of an Environmental Impact Report (EIR), or notice of a Mitigated Negative Declaration (MND), or Negative Declaration (ND) on or after July 1, 2015. Pursuant to Public Resources Code section 21080.3.1, a list of California Native American Tribes was provided to the City of Irvine that are traditionally and culturally affiliated with geographic area of the proposed project. This letter is intended as formal notification of the proposed project pursuant to Assembly Bill (AB) 52.

Pursuant to the provisions of Assembly Bill (AB) 52, the City hereby extends an invitation to consult on the California Environmental Quality Act (CEQA) review of this proposed project in order to assist with identifying and/or preserving and/or mitigating project impacts to Native American cultural places including:

- Native American sanctified cemetery, place of worship, religious or ceremonial site, or sacred shrine; and
- Native American historic, cultural, or sacred site that is listed or may be eligible for listing in the California Register of Historical Resources including historic or prehistoric ruins and any burial ground, archaeological, or historic site.

If you desire to consult with the City on the CEQA review of this project, please respond in writing within thirty (30) days of the date of this letter by either letter and/or email. Please direct your email to hdesantos@cityofirvine.org or any correspondence on this matter to:

Hernan DeSantos
Senior Planner
City of Irvine – Community Development Department
P.O. Box 19575
Irvine, CA 92623

Should we not receive a response within thirty (30) days, we will presume that you have declined consultation. Please do not hesitate to let me know if you have any questions

Subject: Project Notification Pursuant to Assembly Bill (AB) 52 for the Hoag Hospital Irvine Expansion project (00816357-PCPM) in the City of Irvine, County of Orange, California (Assessor Parcel Number: 466-091-19)

Dear Mr. Pinto:

The City of Irvine is the lead agency, pursuant to the California Environmental Quality Act (CEQA), for the conditional use permit modification (00816357-PCPM) request for Hoag Hospital Irvine (HHI). HHI is seeking a conditional use permit modification to expand their existing hospital campus. The existing campus was first approved in December 1983 for a maximum entitlement of 565,359 square feet of hospital with up to 500 hospital beds, support uses, and medical offices. The project site is currently comprised of a 249,794 square-foot hospital with 166 hospital beds, a 10-story, 115,762 square-foot medical office building, and surface parking on approximately 24.5 acres located at 16200 Sand Canyon Avenue in the City of Irvine (see Attachment 1 – Existing Project Site).

The proposed conditional use permit modification seeks to increase the number of hospital beds from 166 to 391, and increase the hospital intensity from the originally approved 565,359 square feet up to approximately 1,123,293 square feet on the existing project site. At project build-out, the proposal would exceed the previous entitlement for the project site by up to approximately 557,934 square feet (see Attachment 2 – Proposed Project Site). Specifically, the proposed project would allow development to occur in two phases and consist of the following major components:

Phase 1:

- Addition of 356,740 square feet of hospital services with 161 beds to support the relocation of the pharmacy, clinical laboratory, intensive care unit, surgical suite, café, medical records, cashier, registration, worship center, gift shop and lobby;
- Addition of 130,000 square feet of hospital support facility;
- Addition of two, five-level parking structures (over 700 stalls in each structure);
- Addition of 47,550 square feet of new central utility plant along with cooling; and towers and emergency power generators at grade level.

Phase 2:

- Addition of 8,000 square feet of auditorium and conference center;
- Addition of 260,000 square feet of hospital support facilities;
- Addition of 80,000 square feet of hospital services to support 64 additional in-patient beds; and
- Parking structure expansion to provide 486 additional parking stalls.

AB 52 requires lead agencies to consult with California Native American Tribes that request such consultation in writing prior to the agency's release of a Notice of Preparation (NOP) of an Environmental Impact Report (EIR), or notice of a Mitigated Negative Declaration (MND), or Negative Declaration (ND) on or after July 1, 2015. Pursuant to Public Resources Code section 21080.3.1, a list of California Native American Tribes was provided to the City of Irvine that are traditionally and culturally affiliated with geographic area of the proposed project. This letter is intended as formal notification of the proposed project pursuant to Assembly Bill (AB) 52.

Pursuant to the provisions of Assembly Bill (AB) 52, the City hereby extends an invitation to consult on the California Environmental Quality Act (CEQA) review of this proposed project in order to assist with identifying and/or preserving and/or mitigating project impacts to Native American cultural places including:

- Native American sanctified cemetery, place of worship, religious or ceremonial site, or sacred shrine; and

Mr. Michael Garcia
Vice-Chairperson
Ewiiapaayp Band of Kumeyaay Indians
Alpine, CA 91901

Subject: Project Notification Pursuant to Assembly Bill (AB) 52 for the Hoag Hospital Irvine Expansion project (00816357-PCPM) in the City of Irvine, County of Orange, California (Assessor Parcel Number: 466-091-19)

Dear Mr. Garcia:

The City of Irvine is the lead agency, pursuant to the California Environmental Quality Act (CEQA), for the conditional use permit modification (00816357-PCPM) request for Hoag Hospital Irvine (HHI). HHI is seeking a conditional use permit modification to expand their existing hospital campus. The existing campus was first approved in December 1983 for a maximum entitlement of 565,359 square feet of hospital with up to 500 hospital beds, support uses, and medical offices. The project site is currently comprised of a 249,794 square-foot hospital with 166 hospital beds, a 10-story, 115,762 square-foot medical office building, and surface parking on approximately 24.5 acres located at 16200 Sand Canyon Avenue in the City of Irvine (see Attachment 1 – Existing Project Site).

The proposed conditional use permit modification seeks to increase the number of hospital beds from 166 to 391, and increase the hospital intensity from the originally approved 565,359 square feet up to approximately 1,123,293 square feet on the existing project site. At project build-out, the proposal would exceed the previous entitlement for the project site by up to approximately 557,934 square feet (see Attachment 2 – Proposed Project Site). Specifically, the proposed project would allow development to occur in two phases and consist of the following major components:

Phase 1:

- Addition of 356,740 square feet of hospital services with 161 beds to support the relocation of the pharmacy, clinical laboratory, intensive care unit, surgical suite, café, medical records, cashier, registration, worship center, gift shop and lobby;
- Addition of 130,000 square feet of hospital support facility;
- Addition of two, five-level parking structures (over 700 stalls in each structure);
- Addition of 47,550 square feet of new central utility plant along with cooling; and towers and emergency power generators at grade level.

Phase 2:

- Addition of 8,000 square feet of auditorium and conference center;
- Addition of 260,000 square feet of hospital support facilities;
- Addition of 80,000 square feet of hospital services to support 64 additional in-patient beds; and
- Parking structure expansion to provide 486 additional parking stalls.

AB 52 requires lead agencies to consult with California Native American Tribes that request such consultation in writing prior to the agency's release of a Notice of Preparation (NOP) of an Environmental Impact Report (EIR), or notice of a Mitigated Negative Declaration (MND), or Negative Declaration (ND) on or after July 1, 2015. Pursuant to Public Resources Code section 21080.3.1, a list of California Native American Tribes was provided to the City of Irvine that are traditionally and culturally affiliated with geographic area of the proposed project. This letter is intended as formal notification of the proposed project pursuant to Assembly Bill (AB) 52.

Pursuant to the provisions of Assembly Bill (AB) 52, the City hereby extends an invitation to consult on the California Environmental Quality Act (CEQA) review of this proposed project in order to assist with identifying and/or preserving and/or mitigating project impacts to Native American cultural places including:

- Native American sanctified cemetery, place of worship, religious or ceremonial site, or sacred shrine; and
- Native American historic, cultural, or sacred site that is listed or may be eligible for listing in the California Register of Historical Resources including historic or prehistoric ruins and any burial ground, archaeological, or historic site.

If you desire to consult with the City on the CEQA review of this project, please respond in writing within thirty (30) days of the date of this letter by either letter and/or email. Please direct your email to hdesantos@cityofirvine.org or any correspondence on this matter to:

Subject: Project Notification Pursuant to Assembly Bill (AB) 52 for the Hoag Hospital Irvine Expansion project (00816357-PCPM) in the City of Irvine, County of Orange, California (Assessor Parcel Number: 466-091-19)

Dear Mr. Salas:

The City of Irvine is the lead agency, pursuant to the California Environmental Quality Act (CEQA), for the conditional use permit modification (00816357-PCPM) request for Hoag Hospital Irvine (HHI). HHI is seeking a conditional use permit modification to expand their existing hospital campus. The existing campus was first approved in December 1983 for a maximum entitlement of 565,359 square feet of hospital with up to 500 hospital beds, support uses, and medical offices. The project site is currently comprised of a 249,794 square-foot hospital with 166 hospital beds, a 10-story, 115,762 square-foot medical office building, and surface parking on approximately 24.5 acres located at 16200 Sand Canyon Avenue in the City of Irvine (see Attachment 1 – Existing Project Site).

The proposed conditional use permit modification seeks to increase the number of hospital beds from 166 to 391, and increase the hospital intensity from the originally approved 565,359 square feet up to approximately 1,123,293 square feet on the existing project site. At project build-out, the proposal would exceed the previous entitlement for the project site by up to approximately 557,934 square feet (see Attachment 2 – Proposed Project Site). Specifically, the proposed project would allow development to occur in two phases and consist of the following major components:

Phase 1:

- Addition of 356,740 square feet of hospital services with 161 beds to support the relocation of the pharmacy, clinical laboratory, intensive care unit, surgical suite, café, medical records, cashier, registration, worship center, gift shop and lobby;
- Addition of 130,000 square feet of hospital support facility;
- Addition of two, five-level parking structures (over 700 stalls in each structure);
- Addition of 47,550 square feet of new central utility plant along with cooling; and towers and emergency power generators at grade level.

Phase 2:

- Addition of 8,000 square feet of auditorium and conference center;
- Addition of 260,000 square feet of hospital support facilities;
- Addition of 80,000 square feet of hospital services to support 64 additional in-patient beds; and
- Parking structure expansion to provide 486 additional parking stalls.

AB 52 requires lead agencies to consult with California Native American Tribes that request such consultation in writing prior to the agency's release of a Notice of Preparation (NOP) of an Environmental Impact Report (EIR), or notice of a Mitigated Negative Declaration (MND), or Negative Declaration (ND) on or after July 1, 2015. Pursuant to Public Resources Code section 21080.3.1, a list of California Native American Tribes was provided to the City of Irvine that are traditionally and culturally affiliated with geographic area of the proposed project. This letter is intended as formal notification of the proposed project pursuant to Assembly Bill (AB) 52.

Pursuant to the provisions of Assembly Bill (AB) 52, the City hereby extends an invitation to consult on the California Environmental Quality Act (CEQA) review of this proposed project in order to assist with identifying and/or preserving and/or mitigating project impacts to Native American cultural places including:

- Native American sanctified cemetery, place of worship, religious or ceremonial site, or sacred shrine; and
- Native American historic, cultural, or sacred site that is listed or may be eligible for listing in the California Register of Historical Resources including historic or prehistoric ruins and any burial ground, archaeological, or historic site.

Mr. Robert Dorame
Chairperson
Gabrielino Tongva Indians of California Tribal Council
P.O. Box 490
Bellflower, CA 90707

Subject: Project Notification Pursuant to Assembly Bill (AB) 52 for the Hoag Hospital Irvine Expansion project (00816357-PCPM) in the City of Irvine, County of Orange, California (Assessor Parcel Number: 466-091-19)

Dear Mr. Dorame:

The City of Irvine is the lead agency, pursuant to the California Environmental Quality Act (CEQA), for the conditional use permit modification (00816357-PCPM) request for Hoag Hospital Irvine (HHI). HHI is seeking a conditional use permit modification to expand their existing hospital campus. The existing campus was first approved in December 1983 for a maximum entitlement of 565,359 square feet of hospital with up to 500 hospital beds, support uses, and medical offices. The project site is currently comprised of a 249,794 square-foot hospital with 166 hospital beds, a 10-story, 115,762 square-foot medical office building, and surface parking on approximately 24.5 acres located at 16200 Sand Canyon Avenue in the City of Irvine (see Attachment 1 – Existing Project Site).

The proposed conditional use permit modification seeks to increase the number of hospital beds from 166 to 391, and increase the hospital intensity from the originally approved 565,359 square feet up to approximately 1,123,293 square feet on the existing project site. At project build-out, the proposal would exceed the previous entitlement for the project site by up to approximately 557,934 square feet (see Attachment 2 – Proposed Project Site). Specifically, the proposed project would allow development to occur in two phases and consist of the following major components:

Phase 1:

- Addition of 356,740 square feet of hospital services with 161 beds to support the relocation of the pharmacy, clinical laboratory, intensive care unit, surgical suite, café, medical records, cashier, registration, worship center, gift shop and lobby;
- Addition of 130,000 square feet of hospital support facility;
- Addition of two, five-level parking structures (over 700 stalls in each structure);
- Addition of 47,550 square feet of new central utility plant along with cooling; and towers and emergency power generators at grade level.

Phase 2:

- Addition of 8,000 square feet of auditorium and conference center;
- Addition of 260,000 square feet of hospital support facilities;
- Addition of 80,000 square feet of hospital services to support 64 additional in-patient beds; and
- Parking structure expansion to provide 486 additional parking stalls.

AB 52 requires lead agencies to consult with California Native American Tribes that request such consultation in writing prior to the agency's release of a Notice of Preparation (NOP) of an Environmental Impact Report (EIR), or notice of a Mitigated Negative Declaration (MND), or Negative Declaration (ND) on or after July 1, 2015. Pursuant to Public Resources Code section 21080.3.1, a list of California Native American Tribes was provided to the City of Irvine that are traditionally and culturally affiliated with geographic area of the proposed project. This letter is intended as formal notification of the proposed project pursuant to Assembly Bill (AB) 52.

Pursuant to the provisions of Assembly Bill (AB) 52, the City hereby extends an invitation to consult on the California Environmental Quality Act (CEQA) review of this proposed project in order to assist with identifying and/or preserving and/or mitigating project impacts to Native American cultural places including:

- Native American sanctified cemetery, place of worship, religious or ceremonial site, or sacred shrine; and
- Native American historic, cultural, or sacred site that is listed or may be eligible for listing in the California Register of Historical Resources including historic or prehistoric ruins and any burial ground, archaeological, or historic site.

If you desire to consult with the City on the CEQA review of this project, please respond in writing within thirty (30) days of the date of this letter by either letter and/or email. Please direct your email to hdesantos@cityofirvine.org or any correspondence on this matter to:

Dear Mr. Goad:

The City of Irvine is the lead agency, pursuant to the California Environmental Quality Act (CEQA), for the conditional use permit modification (00816357-PCPM) request for Hoag Hospital Irvine (HHI). HHI is seeking a conditional use permit modification to expand their existing hospital campus. The existing campus was first approved in December 1983 for a maximum entitlement of 565,359 square feet of hospital with up to 500 hospital beds, support uses, and medical offices. The project site is currently comprised of a 249,794 square-foot hospital with 166 hospital beds, a 10-story, 115,762 square-foot medical office building, and surface parking on approximately 24.5 acres located at 16200 Sand Canyon Avenue in the City of Irvine (see Attachment 1 – Existing Project Site).

The proposed conditional use permit modification seeks to increase the number of hospital beds from 166 to 391, and increase the hospital intensity from the originally approved 565,359 square feet up to approximately 1,123,293 square feet on the existing project site. At project build-out, the proposal would exceed the previous entitlement for the project site by up to approximately 557,934 square feet (see Attachment 2 – Proposed Project Site). Specifically, the proposed project would allow development to occur in two phases and consist of the following major components:

Phase 1:

- Addition of 356,740 square feet of hospital services with 161 beds to support the relocation of the pharmacy, clinical laboratory, intensive care unit, surgical suite, café, medical records, cashier, registration, worship center, gift shop and lobby;
- Addition of 130,000 square feet of hospital support facility;
- Addition of two, five-level parking structures (over 700 stalls in each structure);
- Addition of 47,550 square feet of new central utility plant along with cooling; and towers and emergency power generators at grade level.

Mr. Sandonne Goad

July 30, 2020

Page 2 of 3

Phase 2:

- Addition of 8,000 square feet of auditorium and conference center;
- Addition of 260,000 square feet of hospital support facilities;
- Addition of 80,000 square feet of hospital services to support 64 additional in-patient beds; and
- Parking structure expansion to provide 486 additional parking stalls.

AB 52 requires lead agencies to consult with California Native American Tribes that request such consultation in writing prior to the agency's release of a Notice of Preparation (NOP) of an Environmental Impact Report (EIR), or notice of a Mitigated Negative Declaration (MND), or Negative Declaration (ND) on or after July 1, 2015. Pursuant to Public Resources Code section 21080.3.1, a list of California Native American Tribes was provided to the City of Irvine that are traditionally and culturally affiliated with geographic area of the proposed project. This letter is intended as formal notification of the proposed project pursuant to Assembly Bill (AB) 52.

Pursuant to the provisions of Assembly Bill (AB) 52, the City hereby extends an invitation to consult on the California Environmental Quality Act (CEQA) review of this proposed project in order to assist with identifying and/or preserving and/or mitigating project impacts to Native American cultural places including:

- Native American sanctified cemetery, place of worship, religious or ceremonial site, or sacred shrine; and
- Native American historic, cultural, or sacred site that is listed or may be eligible for listing in the California Register of Historical Resources including historic or prehistoric ruins and any burial ground, archaeological, or historic site.

If you desire to consult with the City on the CEQA review of this project, please respond in writing within thirty (30) days of the date of this letter by either letter and/or email.

Please direct your email to hdesantos@cityofirvine.org or any correspondence on this matter to:

Hernan DeSantos
Senior Planner
City of Irvine – Community Development Department
P.O. Box 19575

Subject: Project Notification Pursuant to Assembly Bill (AB) 52 for the Hoag Hospital Irvine Expansion project (00816357-PCPM) in the City of Irvine, County of Orange, California (Assessor Parcel Number: 466-091-19)

Dear Mr. Morales:

The City of Irvine is the lead agency, pursuant to the California Environmental Quality Act (CEQA), for the conditional use permit modification (00816357-PCPM) request for Hoag Hospital Irvine (HHI). HHI is seeking a conditional use permit modification to expand their existing hospital campus. The existing campus was first approved in December 1983 for a maximum entitlement of 565,359 square feet of hospital with up to 500 hospital beds, support uses, and medical offices. The project site is currently comprised of a 249,794 square-foot hospital with 166 hospital beds, a 10-story, 115,762 square-foot medical office building, and surface parking on approximately 24.5 acres located at 16200 Sand Canyon Avenue in the City of Irvine (see Attachment 1 – Existing Project Site).

The proposed conditional use permit modification seeks to increase the number of hospital beds from 166 to 391, and increase the hospital intensity from the originally approved 565,359 square feet up to approximately 1,123,293 square feet on the existing project site. At project build-out, the proposal would exceed the previous entitlement for the project site by up to approximately 557,934 square feet (see Attachment 2 – Proposed Project Site). Specifically, the proposed project would allow development to occur in two phases and consist of the following major components:

Phase 1:

- Addition of 356,740 square feet of hospital services with 161 beds to support the relocation of the pharmacy, clinical laboratory, intensive care unit, surgical suite, café, medical records, cashier, registration, worship center, gift shop and lobby;
- Addition of 130,000 square feet of hospital support facility;
- Addition of two, five-level parking structures (over 700 stalls in each structure);
- Addition of 47,550 square feet of new central utility plant along with cooling; and towers and emergency power generators at grade level.

Mr. Anthony Morales

July 30, 2020

Page 2 of 3

Phase 2:

- Addition of 8,000 square feet of auditorium and conference center;
- Addition of 260,000 square feet of hospital support facilities;
- Addition of 80,000 square feet of hospital services to support 64 additional in-patient beds; and
- Parking structure expansion to provide 486 additional parking stalls.

AB 52 requires lead agencies to consult with California Native American Tribes that request such consultation in writing prior to the agency's release of a Notice of Preparation (NOP) of an Environmental Impact Report (EIR), or notice of a Mitigated Negative Declaration (MND), or Negative Declaration (ND) on or after July 1, 2015. Pursuant to Public Resources Code section 21080.3.1, a list of California Native American Tribes was provided to the City of Irvine that are traditionally and culturally affiliated with geographic area of the proposed project. This letter is intended as formal notification of the proposed project pursuant to Assembly Bill (AB) 52.

Pursuant to the provisions of Assembly Bill (AB) 52, the City hereby extends an invitation to consult on the California Environmental Quality Act (CEQA) review of this proposed project in order to assist with identifying and/or preserving and/or mitigating project impacts to Native American cultural places including:

- Native American sanctified cemetery, place of worship, religious or ceremonial site, or sacred shrine; and
- Native American historic, cultural, or sacred site that is listed or may be eligible for listing in the California Register of Historical Resources including historic or prehistoric ruins and any burial ground, archaeological, or historic site.

If you desire to consult with the City on the CEQA review of this project, please respond in writing within thirty (30) days of the date of this letter by either letter and/or email. Please direct your email to hdesantos@cityofirvine.org or any correspondence on this matter to:

West Hills, CA 91307

Subject: Project Notification Pursuant to Assembly Bill (AB) 52 for the Hoag Hospital Irvine Expansion project (00816357-PCPM) in the City of Irvine, County of Orange, California (Assessor Parcel Number: 466-091-19)

Dear Mr. Alvarez:

The City of Irvine is the lead agency, pursuant to the California Environmental Quality Act (CEQA), for the conditional use permit modification (00816357-PCPM) request for Hoag Hospital Irvine (HHI). HHI is seeking a conditional use permit modification to expand their existing hospital campus. The existing campus was first approved in December 1983 for a maximum entitlement of 565,359 square feet of hospital with up to 500 hospital beds, support uses, and medical offices. The project site is currently comprised of a 249,794 square-foot hospital with 166 hospital beds, a 10-story, 115,762 square-foot medical office building, and surface parking on approximately 24.5 acres located at 16200 Sand Canyon Avenue in the City of Irvine (see Attachment 1 – Existing Project Site).

The proposed conditional use permit modification seeks to increase the number of hospital beds from 166 to 391, and increase the hospital intensity from the originally approved 565,359 square feet up to approximately 1,123,293 square feet on the existing project site. At project build-out, the proposal would exceed the previous entitlement for the project site by up to approximately 557,934 square feet (see Attachment 2 – Proposed Project Site). Specifically, the proposed project would allow development to occur in two phases and consist of the following major components:

Phase 1:

- Addition of 356,740 square feet of hospital services with 161 beds to support the relocation of the pharmacy, clinical laboratory, intensive care unit, surgical suite, café, medical records, cashier, registration, worship center, gift shop and lobby;
- Addition of 130,000 square feet of hospital support facility;
- Addition of two, five-level parking structures (over 700 stalls in each structure;

- Addition of 47,550 square feet of new central utility plant along with cooling; and towers and emergency power generators at grade level.

Phase 2:

- Addition of 8,000 square feet of auditorium and conference center;
- Addition of 260,000 square feet of hospital support facilities;
- Addition of 80,000 square feet of hospital services to support 64 additional in-patient beds; and
- Parking structure expansion to provide 486 additional parking stalls.

AB 52 requires lead agencies to consult with California Native American Tribes that request such consultation in writing prior to the agency's release of a Notice of Preparation (NOP) of an Environmental Impact Report (EIR), or notice of a Mitigated Negative Declaration (MND), or Negative Declaration (ND) on or after July 1, 2015. Pursuant to Public Resources Code section 21080.3.1, a list of California Native American Tribes was provided to the City of Irvine that are traditionally and culturally affiliated with geographic area of the proposed project. This letter is intended as formal notification of the proposed project pursuant to Assembly Bill (AB) 52.

Pursuant to the provisions of Assembly Bill (AB) 52, the City hereby extends an invitation to consult on the California Environmental Quality Act (CEQA) review of this proposed project in order to assist with identifying and/or preserving and/or mitigating project impacts to Native American cultural places including:

- Native American sanctified cemetery, place of worship, religious or ceremonial site, or sacred shrine; and
- Native American historic, cultural, or sacred site that is listed or may be eligible for listing in the California Register of Historical Resources including historic or prehistoric ruins and any burial ground, archaeological, or historic site.

If you desire to consult with the City on the CEQA review of this project, please respond in writing within thirty (30) days of the date of this letter by either letter and/or email. Please direct your email to hdesantos@cityofirvine.org or any correspondence on this matter to:

San Juan Capistrano, CA 92675

Subject: Project Notification Pursuant to Assembly Bill (AB) 52 for the Hoag Hospital Irvine Expansion project (00816357-PCPM) in the City of Irvine, County of Orange, California (Assessor Parcel Number: 466-091-19)

Dear Mr. Belardes:

The City of Irvine is the lead agency, pursuant to the California Environmental Quality Act (CEQA), for the conditional use permit modification (00816357-PCPM) request for Hoag Hospital Irvine (HHI). HHI is seeking a conditional use permit modification to expand their existing hospital campus. The existing campus was first approved in December 1983 for a maximum entitlement of 565,359 square feet of hospital with up to 500 hospital beds, support uses, and medical offices. The project site is currently comprised of a 249,794 square-foot hospital with 166 hospital beds, a 10-story, 115,762 square-foot medical office building, and surface parking on approximately 24.5 acres located at 16200 Sand Canyon Avenue in the City of Irvine (see Attachment 1 – Existing Project Site).

The proposed conditional use permit modification seeks to increase the number of hospital beds from 166 to 391, and increase the hospital intensity from the originally approved 565,359 square feet up to approximately 1,123,293 square feet on the existing project site. At project build-out, the proposal would exceed the previous entitlement for the project site by up to approximately 557,934 square feet (see Attachment 2 – Proposed Project Site). Specifically, the proposed project would allow development to occur in two phases and consist of the following major components:

Phase 1:

- Addition of 356,740 square feet of hospital services with 161 beds to support the relocation of the pharmacy, clinical laboratory, intensive care unit, surgical suite, café, medical records, cashier, registration, worship center, gift shop and lobby;
- Addition of 130,000 square feet of hospital support facility;
- Addition of two, five-level parking structures (over 700 stalls in each structure);
- Addition of 47,550 square feet of new central utility plant along with cooling; and towers and emergency power generators at grade level.

Mr. Matias Belardes

July 30, 2020

Page 2 of 3

Phase 2:

- Addition of 8,000 square feet of auditorium and conference center;
- Addition of 260,000 square feet of hospital support facilities;
- Addition of 80,000 square feet of hospital services to support 64 additional in-patient beds; and
- Parking structure expansion to provide 486 additional parking stalls.

AB 52 requires lead agencies to consult with California Native American Tribes that request such consultation in writing prior to the agency's release of a Notice of Preparation (NOP) of an Environmental Impact Report (EIR), or notice of a Mitigated Negative Declaration (MND), or Negative Declaration (ND) on or after July 1, 2015. Pursuant to Public Resources Code section 21080.3.1, a list of California Native American Tribes was provided to the City of Irvine that are traditionally and culturally affiliated with geographic area of the proposed project. This letter is intended as formal notification of the proposed project pursuant to Assembly Bill (AB) 52.

Pursuant to the provisions of Assembly Bill (AB) 52, the City hereby extends an invitation to consult on the California Environmental Quality Act (CEQA) review of this proposed project in order to assist with identifying and/or preserving and/or mitigating project impacts to Native American cultural places including:

- Native American sanctified cemetery, place of worship, religious or ceremonial site, or sacred shrine; and
- Native American historic, cultural, or sacred site that is listed or may be eligible for listing in the California Register of Historical Resources including historic or prehistoric ruins and any burial ground, archaeological, or historic site.

If you desire to consult with the City on the CEQA review of this project, please respond in writing within thirty (30) days of the date of this letter by either letter and/or email.

8 Crestwood Road
Boulevard, CA 91905

Subject: Project Notification Pursuant to Assembly Bill (AB) 52 for the Hoag Hospital Irvine Expansion project (00816357-PCPM) in the City of Irvine, County of Orange, California (Assessor Parcel Number: 466-091-19)

Dear Ms. Parada:

The City of Irvine is the lead agency, pursuant to the California Environmental Quality Act (CEQA), for the conditional use permit modification (00816357-PCPM) request for Hoag Hospital Irvine (HHI). HHI is seeking a conditional use permit modification to expand their existing hospital campus. The existing campus was first approved in December 1983 for a maximum entitlement of 565,359 square feet of hospital with up to 500 hospital beds, support uses, and medical offices. The project site is currently comprised of a 249,794 square-foot hospital with 166 hospital beds, a 10-story, 115,762 square-foot medical office building, and surface parking on approximately 24.5 acres located at 16200 Sand Canyon Avenue in the City of Irvine (see Attachment 1 – Existing Project Site).

The proposed conditional use permit modification seeks to increase the number of hospital beds from 166 to 391, and increase the hospital intensity from the originally approved 565,359 square feet up to approximately 1,123,293 square feet on the existing project site. At project build-out, the proposal would exceed the previous entitlement for the project site by up to approximately 557,934 square feet (see Attachment 2 – Proposed Project Site). Specifically, the proposed project would allow development to occur in two phases and consist of the following major components:

Phase 1:

- Addition of 356,740 square feet of hospital services with 161 beds to support the relocation of the pharmacy, clinical laboratory, intensive care unit, surgical suite, café, medical records, cashier, registration, worship center, gift shop and lobby;
- Addition of 130,000 square feet of hospital support facility;
- Addition of two, five-level parking structures (over 700 stalls in each structure;

Ms. Gwendolyn Parada

July 30, 2020

Page 2 of 3

- Addition of 47,550 square feet of new central utility plant along with cooling; and towers and emergency power generators at grade level.

Phase 2:

- Addition of 8,000 square feet of auditorium and conference center;
- Addition of 260,000 square feet of hospital support facilities;
- Addition of 80,000 square feet of hospital services to support 64 additional in-patient beds; and
- Parking structure expansion to provide 486 additional parking stalls.

AB 52 requires lead agencies to consult with California Native American Tribes that request such consultation in writing prior to the agency's release of a Notice of Preparation (NOP) of an Environmental Impact Report (EIR), or notice of a Mitigated Negative Declaration (MND), or Negative Declaration (ND) on or after July 1, 2015. Pursuant to Public Resources Code section 21080.3.1, a list of California Native American Tribes was provided to the City of Irvine that are traditionally and culturally affiliated with geographic area of the proposed project. This letter is intended as formal notification of the proposed project pursuant to Assembly Bill (AB) 52.

Pursuant to the provisions of Assembly Bill (AB) 52, the City hereby extends an invitation to consult on the California Environmental Quality Act (CEQA) review of this proposed project in order to assist with identifying and/or preserving and/or mitigating project impacts to Native American cultural places including:

- Native American sanctified cemetery, place of worship, religious or ceremonial site, or sacred shrine; and
- Native American historic, cultural, or sacred site that is listed or may be eligible for listing in the California Register of Historical Resources including historic or prehistoric ruins and any burial ground, archaeological, or historic site.

If you desire to consult with the City on the CEQA review of this project, please respond in writing within thirty (30) days of the date of this letter by either letter and/or email. Please direct your email to hdesantos@cityofirvine.org or any correspondence on this matter to:

Subject: Project Notification Pursuant to Assembly Bill (AB) 52 for the Hoag Hospital Irvine Expansion project (00816357-PCPM) in the City of Irvine, County of Orange, California (Assessor Parcel Number: 466-091-19)

Dear Mr. Miller:

The City of Irvine is the lead agency, pursuant to the California Environmental Quality Act (CEQA), for the conditional use permit modification (00816357-PCPM) request for Hoag Hospital Irvine (HHI). HHI is seeking a conditional use permit modification to expand their existing hospital campus. The existing campus was first approved in December 1983 for a maximum entitlement of 565,359 square feet of hospital with up to 500 hospital beds, support uses, and medical offices. The project site is currently comprised of a 249,794 square-foot hospital with 166 hospital beds, a 10-story, 115,762 square-foot medical office building, and surface parking on approximately 24.5 acres located at 16200 Sand Canyon Avenue in the City of Irvine (see Attachment 1 – Existing Project Site).

The proposed conditional use permit modification seeks to increase the number of hospital beds from 166 to 391, and increase the hospital intensity from the originally approved 565,359 square feet up to approximately 1,123,293 square feet on the existing project site. At project build-out, the proposal would exceed the previous entitlement for the project site by up to approximately 557,934 square feet (see Attachment 2 – Proposed Project Site). Specifically, the proposed project would allow development to occur in two phases and consist of the following major components:

Phase 1:

- Addition of 356,740 square feet of hospital services with 161 beds to support the relocation of the pharmacy, clinical laboratory, intensive care unit, surgical suite, café, medical records, cashier, registration, worship center, gift shop and lobby;
- Addition of 130,000 square feet of hospital support facility;
- Addition of two, five-level parking structures (over 700 stalls in each structure);
- Addition of 47,550 square feet of new central utility plant along with cooling; and towers and emergency power generators at grade level.

Phase 2:

- Addition of 8,000 square feet of auditorium and conference center;
- Addition of 260,000 square feet of hospital support facilities;
- Addition of 80,000 square feet of hospital services to support 64 additional in-patient beds; and
- Parking structure expansion to provide 486 additional parking stalls.

AB 52 requires lead agencies to consult with California Native American Tribes that request such consultation in writing prior to the agency's release of a Notice of Preparation (NOP) of an Environmental Impact Report (EIR), or notice of a Mitigated Negative Declaration (MND), or Negative Declaration (ND) on or after July 1, 2015. Pursuant to Public Resources Code section 21080.3.1, a list of California Native American Tribes was provided to the City of Irvine that are traditionally and culturally affiliated with geographic area of the proposed project. This letter is intended as formal notification of the proposed project pursuant to Assembly Bill (AB) 52.

Pursuant to the provisions of Assembly Bill (AB) 52, the City hereby extends an invitation to consult on the California Environmental Quality Act (CEQA) review of this proposed project in order to assist with identifying and/or preserving and/or mitigating project impacts to Native American cultural places including:

- Native American sanctified cemetery, place of worship, religious or ceremonial site, or sacred shrine; and
- Native American historic, cultural, or sacred site that is listed or may be eligible for listing in the California Register of Historical Resources including historic or prehistoric ruins and any burial ground, archaeological, or historic site.

If you desire to consult with the City on the CEQA review of this project, please respond in writing within thirty (30) days of the date of this letter by either letter and/or email. Please direct your email to hdesantos@cityofirvine.org or any correspondence on this matter to:

Boulevard, CA, 91905

Subject: Project Notification Pursuant to Assembly Bill (AB) 52 for the Hoag Hospital Irvine Expansion project (00816357-PCPM) in the City of Irvine, County of Orange, California (Assessor Parcel Number: 466-091-19)

Dear Ms. Santos:

The City of Irvine is the lead agency, pursuant to the California Environmental Quality Act (CEQA), for the conditional use permit modification (00816357-PCPM) request for Hoag Hospital Irvine (HHI). HHI is seeking a conditional use permit modification to expand their existing hospital campus. The existing campus was first approved in December 1983 for a maximum entitlement of 565,359 square feet of hospital with up to 500 hospital beds, support uses, and medical offices. The project site is currently comprised of a 249,794 square-foot hospital with 166 hospital beds, a 10-story, 115,762 square-foot medical office building, and surface parking on approximately 24.5 acres located at 16200 Sand Canyon Avenue in the City of Irvine (see Attachment 1 – Existing Project Site).

The proposed conditional use permit modification seeks to increase the number of hospital beds from 166 to 391, and increase the hospital intensity from the originally approved 565,359 square feet up to approximately 1,123,293 square feet on the existing project site. At project build-out, the proposal would exceed the previous entitlement for the project site by up to approximately 557,934 square feet (see Attachment 2 – Proposed Project Site). Specifically, the proposed project would allow development to occur in two phases and consist of the following major components:

Phase 1:

- Addition of 356,740 square feet of hospital services with 161 beds to support the relocation of the pharmacy, clinical laboratory, intensive care unit, surgical suite, café, medical records, cashier, registration, worship center, gift shop and lobby;
- Addition of 130,000 square feet of hospital support facility;
- Addition of two, five-level parking structures (over 700 stalls in each structure);
- Addition of 47,550 square feet of new central utility plant along with cooling; and towers and emergency power generators at grade level.

Phase 2:

- Addition of 8,000 square feet of auditorium and conference center;
- Addition of 260,000 square feet of hospital support facilities;
- Addition of 80,000 square feet of hospital services to support 64 additional in-patient beds; and
- Parking structure expansion to provide 486 additional parking stalls.

AB 52 requires lead agencies to consult with California Native American Tribes that request such consultation in writing prior to the agency's release of a Notice of Preparation (NOP) of an Environmental Impact Report (EIR), or notice of a Mitigated Negative Declaration (MND), or Negative Declaration (ND) on or after July 1, 2015. Pursuant to Public Resources Code section 21080.3.1, a list of California Native American Tribes was provided to the City of Irvine that are traditionally and culturally affiliated with geographic area of the proposed project. This letter is intended as formal notification of the proposed project pursuant to Assembly Bill (AB) 52.

Pursuant to the provisions of Assembly Bill (AB) 52, the City hereby extends an invitation to consult on the California Environmental Quality Act (CEQA) review of this proposed project in order to assist with identifying and/or preserving and/or mitigating project impacts to Native American cultural places including:

- Native American sanctified cemetery, place of worship, religious or ceremonial site, or sacred shrine; and
- Native American historic, cultural, or sacred site that is listed or may be eligible for listing in the California Register of Historical Resources including historic or prehistoric ruins and any burial ground, archaeological, or historic site.

If you desire to consult with the City on the CEQA review of this project, please respond in writing within thirty (30) days of the date of this letter by either letter and/or email. Please direct your email to hdesantos@cityofirvine.org or any correspondence on this matter to:

Subject: Project Notification Pursuant to Assembly Bill (AB) 52 for the Hoag Hospital Irvine Expansion project (00816357-PCPM) in the City of Irvine, County of Orange, California (Assessor Parcel Number: 466-091-19)

Dear Mr. Cozart:

The City of Irvine is the lead agency, pursuant to the California Environmental Quality Act (CEQA), for the conditional use permit modification (00816357-PCPM) request for Hoag Hospital Irvine (HHI). HHI is seeking a conditional use permit modification to expand their existing hospital campus. The existing campus was first approved in December 1983 for a maximum entitlement of 565,359 square feet of hospital with up to 500 hospital beds, support uses, and medical offices. The project site is currently comprised of a 249,794 square-foot hospital with 166 hospital beds, a 10-story, 115,762 square-foot medical office building, and surface parking on approximately 24.5 acres located at 16200 Sand Canyon Avenue in the City of Irvine (see Attachment 1 – Existing Project Site).

The proposed conditional use permit modification seeks to increase the number of hospital beds from 166 to 391, and increase the hospital intensity from the originally approved 565,359 square feet up to approximately 1,123,293 square feet on the existing project site. At project build-out, the proposal would exceed the previous entitlement for the project site by up to approximately 557,934 square feet (see Attachment 2 – Proposed Project Site). Specifically, the proposed project would allow development to occur in two phases and consist of the following major components:

Phase 1:

- Addition of 356,740 square feet of hospital services with 161 beds to support the relocation of the pharmacy, clinical laboratory, intensive care unit, surgical suite, café, medical records, cashier, registration, worship center, gift shop and lobby;
- Addition of 130,000 square feet of hospital support facility;
- Addition of two, five-level parking structures (over 700 stalls in each structure);
- Addition of 47,550 square feet of new central utility plant along with cooling; and towers and emergency power generators at grade level.

Phase 2:

- Addition of 8,000 square feet of auditorium and conference center;
- Addition of 260,000 square feet of hospital support facilities;
- Addition of 80,000 square feet of hospital services to support 64 additional in-patient beds; and
- Parking structure expansion to provide 486 additional parking stalls.

AB 52 requires lead agencies to consult with California Native American Tribes that request such consultation in writing prior to the agency's release of a Notice of Preparation (NOP) of an Environmental Impact Report (EIR), or notice of a Mitigated Negative Declaration (MND), or Negative Declaration (ND) on or after July 1, 2015. Pursuant to Public Resources Code section 21080.3.1, a list of California Native American Tribes was provided to the City of Irvine that are traditionally and culturally affiliated with geographic area of the proposed project. This letter is intended as formal notification of the proposed project pursuant to Assembly Bill (AB) 52.

Pursuant to the provisions of Assembly Bill (AB) 52, the City hereby extends an invitation to consult on the California Environmental Quality Act (CEQA) review of this proposed project in order to assist with identifying and/or preserving and/or mitigating project impacts to Native American cultural places including:

- Native American sanctified cemetery, place of worship, religious or ceremonial site, or sacred shrine; and

El Cajon, CA 92019

Subject: Project Notification Pursuant to Assembly Bill (AB) 52 for the Hoag Hospital Irvine Expansion project (00816357-PCPM) in the City of Irvine, County of Orange, California (Assessor Parcel Number: 466-091-19)

Dear Mr. Martinez:

The City of Irvine is the lead agency, pursuant to the California Environmental Quality Act (CEQA), for the conditional use permit modification (00816357-PCPM) request for Hoag Hospital Irvine (HHI). HHI is seeking a conditional use permit modification to expand their existing hospital campus. The existing campus was first approved in December 1983 for a maximum entitlement of 565,359 square feet of hospital with up to 500 hospital beds, support uses, and medical offices. The project site is currently comprised of a 249,794 square-foot hospital with 166 hospital beds, a 10-story, 115,762 square-foot medical office building, and surface parking on approximately 24.5 acres located at 16200 Sand Canyon Avenue in the City of Irvine (see Attachment 1 – Existing Project Site).

The proposed conditional use permit modification seeks to increase the number of hospital beds from 166 to 391, and increase the hospital intensity from the originally approved 565,359 square feet up to approximately 1,123,293 square feet on the existing project site. At project build-out, the proposal would exceed the previous entitlement for the project site by up to approximately 557,934 square feet (see Attachment 2 – Proposed Project Site). Specifically, the proposed project would allow development to occur in two phases and consist of the following major components:

Phase 1:

- Addition of 356,740 square feet of hospital services with 161 beds to support the relocation of the pharmacy, clinical laboratory, intensive care unit, surgical suite, café, medical records, cashier, registration, worship center, gift shop and lobby;
- Addition of 130,000 square feet of hospital support facility;
- Addition of two, five-level parking structures (over 700 stalls in each structure);
- Addition of 47,550 square feet of new central utility plant along with cooling; and towers and emergency power generators at grade level.

Phase 2:

- Addition of 8,000 square feet of auditorium and conference center;
- Addition of 260,000 square feet of hospital support facilities;
- Addition of 80,000 square feet of hospital services to support 64 additional in-patient beds; and
- Parking structure expansion to provide 486 additional parking stalls.

AB 52 requires lead agencies to consult with California Native American Tribes that request such consultation in writing prior to the agency's release of a Notice of Preparation (NOP) of an Environmental Impact Report (EIR), or notice of a Mitigated Negative Declaration (MND), or Negative Declaration (ND) on or after July 1, 2015. Pursuant to Public Resources Code section 21080.3.1, a list of California Native American Tribes was provided to the City of Irvine that are traditionally and culturally affiliated with geographic area of the proposed project. This letter is intended as formal notification of the proposed project pursuant to Assembly Bill (AB) 52.

Pursuant to the provisions of Assembly Bill (AB) 52, the City hereby extends an invitation to consult on the California Environmental Quality Act (CEQA) review of this proposed project in order to assist with identifying and/or preserving and/or mitigating project impacts to Native American cultural places including:

- Native American sanctified cemetery, place of worship, religious or ceremonial site, or sacred shrine; and
- Native American historic, cultural, or sacred site that is listed or may be eligible for listing in the California Register of Historical Resources including historic or prehistoric ruins and any burial ground, archaeological, or historic site.

If you desire to consult with the City on the CEQA review of this project, please respond in writing within thirty (30) days of the date of this letter by either letter and/or email. Please direct your email to hdesantos@cityofirvine.org or any correspondence on this matter to:

Hernan DeSantos
Senior Planner
City of Irvine – Community Development Department
P.O. Box 19575
Irvine, CA 92623

Should we not receive a response within thirty (30) days, we will presume that you have declined consultation. Please do not hesitate to let me know if you have any questions

Mr. Cody Martinez

Project Name: Hoag Hospital Irvine Expansion Project City of Irvine

Dear Hernan DeSantos,

Thank you for your letter dated July 30, 2020 regarding AB52 consultation. The above proposed project location is within our Ancestral Tribal Territory; therefore, our Tribal Government requests to schedule a consultation with you as the lead agency, to discuss the project and the surrounding location in further detail.

Please contact us at your earliest convenience. ***Please Note: AB 52, "consultation" shall have the same meaning as provided in SB 18 (Govt. Code Section 65352.4).***

Thank you for your time,

Andrew Salas, Chairman
Gabrieleno Band of Mission Indians – Kizh Nation
1(844)390-0787

Andrew Salas, Chairman
Albert Perez, treasurer I

Nadine Salas, Vice-Chairman
Martha Gonzalez Lemos, treasurer II

Dr. Christina Swindall Martinez, secretary
Richard Gradias, Chairman of the council of Elders
