**Lake or Streambed Alteration Notification Not Required  
Notification No. EPIMS-09054-R2  
Cannabis Cultivation – Infinity Cannabis Growth, LLC**

Dear Ms. Sinsukthaworn:

The California Department of Fish and Wildlife (CDFW) received your Lake or Streambed Alteration (LSA) Notification (Notification) through the Environmental Permit Information Management System (EPIMS) on January 29, 2020. CDFW has determined the Infinity Cannabis Growth, LLC project (Project) described in your LSA Notification No. EPIMS-09054-R2 is not subject to the notification requirement in Fish and Game Code section 1602 and your fee will be refunded.

As described in the Notification, the Project is located at 11020 Sky High Ridge Road, Lower Lake, CA 95454. The Project includes cultivation of cannabis with water provided by an existing well. The Project does not include within or adjacent to the property boundaries any: water discharge, surface water diversion, or riparian vegetation trimming or removal, or construction in or near any river, lake, or stream.

CDFW finds the Project will not substantially divert or obstruct the natural flow of any river, stream, or lake; substantially change or use any material from the bed, channel or bank of any river, stream, or lake; or deposit or dispose of debris, waste, or other material where it may pass into any river, stream, or lake.

This letter may be submitted to the California Department of Food and Agriculture (CDFA) to satisfy Business and Professions Code section 26060.1 (b)(3) as written verification that a Lake or Streambed Alteration Agreement is not required for the activities specifically described in your Notification. You are responsible for complying with all applicable local, State, and federal laws in completing your work. A copy of this letter and your Notification with all attachments should be available at all times at the Project site.

Please note, any material or changes otherwise made to your Project description in the Notification, will require submittal of a new Notification and corresponding fee to CDFW.
