Present Land Use/Zoning/General Plan Designation:

General Plan: Residential Multiple (RM), and Commercial Neighborhood (CM). Zoning: Single-family Residential (R-1), Residential

Project Description: (please use a separate page if necessary)

The proposed project would amend the zoning on the site to create a base zone of "Single-family Residential (R-1)" District combined with either the "Planned Unit Development (PUD)" Combining District or the Neighborhood Commercial District (C-2) Combining District, a vesting tentative map, 190 on-site residential units and commercial/non-residential development, recreational/open space improvements, roadway improvements, and utility improvements. The proposed vesting tentative map would re-subdivide the project site to create 190 new residential lots, five new commercial/non-residential lots, nine buffer zone lots, six undeveloped lots, five golf course lots, and one lot for a park; all within the proposed development area. An additional 38 units, for affordable housing, would be developed offsite, adjacent to the project boundary.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
