Present Land Use/Zoning/General Plan Designation:

Transportation

Project Description: (please use a separate page if necessary)

The project will study the environmental impacts of constructing direct connectors from the I-15 Express Lanes and extending managed lanes in both directions onto SR 78 for approximately three miles to San Marcos Boulevard in San Diego County. Additional improvements include widening and realigning Barham Drive between La Moree Road and Woodland Parkway, realigning the Barham Drive Interchange which includes removal and replacement of the eastbound SR-78 onramp at Barham Drive, widening the Woodland Parkway undercrossing, adding a westbound auxiliary lane on SR-78 between Nordahl Drive and Woodland Parkway/Barham Drive, widening and realigning Rancheros Drive, and constructing a new bicycle facility along Barham Drive and Woodland Parkway.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with and "X".
If you have already sent your document to the agency please denote that with an "S".
