NOP SUMMARY
MIGRATORY GAME BIRD HUNTING
(WATERFOWL, COOT, AND MOORHEN HUNTING)

The State's wildlife conservation policy, found in Section 1801, Fish and Game Code, contains an objective of providing sport hunting use of selected species where such use is consistent with sustainable wildlife populations. The project being considered is a proposal to modify the current hunting regulations as an element of waterfowl, coot, and moorhen management. The objectives of the proposal are to maintain viable waterfowl, coot, and moorhen populations and to provide public sport hunting opportunities through regulated harvest.
