Special Projects Section (SPS) recently received the referenced "Notice of Preparation" environmental impact document from the State Clearinghouse (SCH).

Due to the project's geographical proximity to the West Valley Area, please use the attached checklist to assess its potential impact to local Area operations and public safety. If it is determined that departmental input is advisable, your written comments referencing the above SCH number must be sent to the lead agency and emailed to state.clearinghouse@opr.ca.gov. Your written comments must be received by the lead agency no later than **December 16, 2020**. For reference, additional information can be found in General Order 41.2, Environmental Impact Documents.

For project tracking purposes, SPS must be notified of West Valley Area's assessment of the project (including negative reports). Please e-mail a copy of Area's response to Associate Governmental Program Analyst Leah Mora at LeMora@chp.ca.gov. For questions or concerns, please contact Mrs. Mora at (916) 843-3370.
