Project Title: Los Osos Creek Wetland Restoration

Project Location: Two miles east of the community of Los Osos in the unincorporated city of Morro Bay in San Luis Obispo County

Project Description: Los Osos Creek Wetland Restoration, WCB Project ID: 2021052, involves implementing best management practices for erosion control and instream work, conducting biological monitoring and cultural resource monitoring prior to and during construction, reconnecting 40 acres of historical floodplain and palustrine wetland habitat by breaching portions of the Warden Creek levee, improving fish passage by removing invasive plants from the creek banks and historical floodplain, and enhancing riparian/wetland habitat and coastal dune scrub habitat by removing invasive plant species, installing a temporary irrigation system, and revegetating with native plant species, and conducting post-project monitoring to determine effectiveness and success of the restoration.

This is to advise that the Wildlife Conservation Board has approved the above
 Lead Agency or Responsible agency

described project on May 20, 2021 and has made the following determinations regarding the above
(Date)
described project.

1. The project [will will not] have a significant effect on the environment.
