Present Land Use/Zoning/General Plan Designation:

Single Family Residential/Very Low Residential/Very Low Residential

Project Description: (please use a separate page if necessary)

The Project proposes to subdivide the existing 4.0-acre parcel into six single-family residential lots. The development would include extending Vista Grove Street west, across Hermosa Avenue, for approximately 380 feet, which would turn south into a cul-de-sac surrounded by the proposed single-family residences. Construction of the Vista Grove Street extension would result in removal of the San Bernardino County Fire District access gate, which would be replaced just to the west of the road extension. A 15-foot wide equestrian trail easement would be created along the eastern and southern boundaries of the project site, connecting to the existing equestrian trail west of the project site. Access to the equestrian trail would come from the southwest corner of the new Hermosa Avenue and Vista Grove Street intersection. The Project also includes landscaping improvements, storm drainage improvements, and private septic systems for each lot.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
