OPR State Clearinghouse

The following letter is to notify all relevant agencies that the project published under State Clearinghouse Number 2020110309 will require state agency review. Per noticing requirements for state agency review, the existing twenty (20) day review period will be extended to thirty (30) days. The review period will now be complete on December 18, 2020. Once complete, the thirty day review period will satisfy the requirement for a completed state agency review.
