Delivered via email: [State.Clearinghouse@opr.ca.gov](mailto:State.Clearinghouse@opr.ca.gov)

To Whom It May Concern,

The City of Berkeley has prepared a Draft Environmental Impact Report (EIR) for the Ashby and North Berkeley BART Stations Transit-Oriented Development (TOD) Zoning Project (SCH#2020110320). We submitted this Draft EIR to the State Clearinghouse on October 15, 2021.

We are submitting replacement PDF pages for the cover pages (only) for Appendices E, F and G. While the content of the Appendices were correct, the PDFs of the cover pages for Technical Appendix E, F and G to the Draft EIR had a typographical error and were mis-labeled as Appendices D, E and F, respectively.

A handwritten signature in blue ink, appearing to read "Alisa Shen", written over a horizontal line.

Sincerely,

Alisa Shen  
Principal Planner, Land Use Planning Division  
Planning and Development Department  
City of Berkeley
